FOR ACCEPTED STUDENTS

COLORADOSCHOOL OF MINES™

You and your parents are cordially invited to DISCOVER Mines

Monday, February 20, 2012 or Saturday, February 25, 2012

8:00 a.m. to 4:30 p.m.

At Colorado School of Mines, undergraduate education is important, and we believe that a good education is more than a collection of courses leading to a degree; it is the interaction of students and faculty, like ours, who are scholars, researchers, and teachers.

We know how important your college choice is. DISCOVER Mines gives you the opportunity to ask questions about student life, academics and financial assistance; an opportunity to become familiar with Colorado School of Mines, our students and faculty.

The cost for the day is \$10.00 per person and includes Lunch and afternoon refreshments.

It is necessary that all attendees REGISTER for DISCOVER Mines.

The deadlines for registration are:

*Tuesday, February 14, 2012 for Monday, February 20
or by Wednesday, February 15, 2012 for Saturday, February 25
(or when the program has reached capacity).**
