

Fall Cycle Online Application Submission Window

U.S. Citizens and U.S. Permanent Residents:
DISCOUNTED APPLICATION FEE APPLIES (for applications submitted by March 1): \$50

FULL APPLICATION FEE APPLIES (for applications submitted after March 1): \$75

International Citizens: \$70
Current Colorado School of Mines Undergraduate Students: \$25
Non-Degree: \$10

* Applicants requesting financial support are strongly encouraged to submit applications by this date. Applications will be considered for financial support for as long as support is still available, but applications submitted after the priority deadline will be processed only after we have completed processing of applications submitted prior to this date.

All materials, including credentials and letters of recommendation, should be submitted by the deadline.

Contact the departments to inquire if it is possible to submit an application after these deadlines have passed. Contact the Office of Graduate Studies (OGS) if you have other questions about the application process.
