

We are delighted that you are joining our Mines community!

This summer, we are offering a limited number of incoming freshman residing in Colorado the opportunity to begin taking courses through our

Summer E³: Early Entry Enrollment Program

Summer E³ Program Benefits

- Summer E³ students get a head start on core courses (all of which meet graduation requirements).
- Courses are taken in a more relaxed summer setting when classes are smaller and the pace of life on campus is more leisurely.
- Summer E³ students make new friends ahead of the fall semester and become familiar with the expectations of the Mines academic experience.

How it Works

Incoming Colorado freshman begin taking courses during our Summer Two term rather than starting in the originally planned Fall term.

Summer Two is a compressed term allowing completion of a full semester course in a six-week period; unless otherwise noted. Services and facilities such as summer tutoring and academic assistance, the Student Health Center, Outdoor Recreation Center, the Student Recreation Center and the Student Center are open throughout the summer and you will have access to it all. Once the Summer Two term ends and the course/grade post to your student record, it will be applied to the official Mines' degree-seeking transcript.

Dates

The Summer Two term begins on June 26th, 2017 and ends on August 4th, 2017.

Commuter Only Program

This is a commuter **only** program. On-campus housing is **not** available for Summer E³ students.

Course Offerings

Course	Days	Time	Credits
CHGN121: Chemistry I	M,T,W,R	9:00am-10:50am	4
CHGN121: Chemistry I Lab**	T,R	12:00pm-3:30pm	0
EPICS151: EPICS Design I	M,T,W,R,F	10:00am-12:00pm	3
EPICS151: EPICS Design I Lab**	M,W	1:00pm-3:00pm	0
LAIS100: Nature & Human Values	M,T,W,R	9:30am-11:45am	4

LAIS100: Nature & Human Values	M,T,W,R	1:00pm-3:15pm	4
MATH111: Calculus I	M,T,R,F	9:00am-11:20am	4
MATH112: Calculus II*	M,T,R,F	9:00am-11:20am	4
PHGN100: Physics I	M,T,W,R	1:00pm-2:45pm	4.5
PHGN100: Physics I Studio**	M,T,W,R	2:45pm-4:00pm	0

* Please refer to our course equivalency listing found [here](#).

**Note: Chemistry I, EPICS Design I and Physics I have a lab or studio component.

Tuition and Fees

The Summer Two term's tuition and fees are based on the 2016-2017 tuition and fees schedule versus the 2017-2018 tuition and fees schedule.

Summer E³ students are responsible for and will be billed as follows:

- Tuition - Colorado Resident Tuition is \$523.00 per credit hour.
- Mandatory fees are \$461.20 regardless of the number of credit hours.
- Books and supplies.
- The Tuition and Fee Schedule can be found [here](#).

Submission Deadline

If this opportunity is of interest to you, please click the button below and submit the Summer E³ Program Interest Form as soon as possible but before **5:00pm MST on May 31st, 2017**.
