RESOURCES FOR SURVIVORS

If you, or someone you know, has experienced sexual harassment, sexual assault, or interpersonal violence (domestic/dating violence, and stalking) at any point, there are multiple options to talk to someone and access resources both on and off campus.

Want to talk to someone at Mines?

Yes

Wellness Center
1770 Elm Street
Health Center
303-273-3381
Speak to a nurse practitioner or physician.

Counseling Center
303-273-3377
Speak to a licensed counselor confidentially.

Mines Faculty or Staff
Look for those who have the “I Believe You” badge. They have been through additional training.

Please note: Mines faculty and staff are considered mandatory reporters* and must share any reports they receive with the Office of Title IX and Equity. However, the decision on how to move forward is yours.

*With the exception of the Mines Counselors, Health Center professionals, and the designated Confidential Resources for the Office Title IX and Equity.

The Office of Title IX and Equity
titleix@mines.edu
303-273-3260
Share instances of sexual and interpersonal violence with the Title IX and Equity team. There are multiple options.

1. Speak to a Confidential Resource. Receive support and referrals, learn about options.
2. Make an informal report. You have the option to just receive supportive measures.
3. Move forward with a formal complaint. Receive process advising as well as supportive measures.

Mines Police
McNell Hall 118
303-273-3333 or 911
Report to a police officer.

1. Share what happened and address any safety concerns.
2. You may make a report and request they not investigate.
3. If desired a criminal case would be opened and a detective assigned to investigate (criminal charges may result).

Medical Attention at St. Anthony Hospital Emergency Room
720-321-4103
If you choose to get a Sexual Assault Nurse Exam, there are multiple reporting options, with medical care at each step:

1. Anonymous. Kit is not tested and police receive no identifying information.
2. Medical. Kit is tested and police can receive identifying information.
3. Police. Kit is tested and police are notified.
