Before Colorado School of Mines, hereinafter "Mines," can invoice the entity named above, hereinafter the "Sponsor," on my behalf, I understand and agree to the following terms and conditions:

1. I understand that this agreement does not relieve me from any financial responsibilities to Mines as I am ultimately responsible for the costs of my attendance at Mines as outlined in my Student Financial Responsibility Agreement.
2. I understand that Mines will only invoice my Sponsor for charges they pre-authorized on the Sponsor Authorization Form.
3. I understand that if, at any time, my Sponsor determines that I am not eligible for the sponsorship (even after they have paid), they do not pay within 30 days of the billing date, or they do not cover all of my charges, I will be responsible for the payment. This may include late fees (at a rate of 18% per annum), reasonable collection and/or attorneys' fees, and other fees and costs that Mines assesses or incurs enforcing this agreement.
4. I understand that a hold will be placed on my account if my account balance has not been paid in full. This hold will prevent future term registrations and access to my student records, including but not limited to the ability to obtain my transcript and diploma.
5. I authorize Mines to provide my Sponsor information including but not limited to course registration, credit hours, grades, GPA, financial information, financial aid award information, and financial aid status from the start term to the end term indicated above.
6. I understand that any overpayments will be returned to my Sponsor.
7. I understand that Mines has the right to refuse my Sponsor as a third party payer if they have a pattern of non-payment in past terms.

I have carefully and completely read the terms and conditions and understand the purpose, intent, and effect of this agreement. I authorize Colorado School of Mines to invoice my Sponsor.
