A 4-hour minimum may apply to all hourly rates. All room rentals are assessed 7.5% tax unless tax exempt.

Rental rates are subject to change based on the number of rooms used, size of the group, length of rental, conference bidding requirements, market demand and whether rental occurs during a high or low demand period.

Note: Companies interviewing on-campus using any of the above facilities will be charged 65% of the above rates.

**On-Campus Groups**

Room rental fees typically do not apply to on-campus departments or offices for official CSM business, nor to recognized student organizations, provided that at least 50% of attendees are CSM community members.

The Green Center Office of Events reserves the right to charge a rental fee for any event that collects admissions or registration fees attendees.

**Personnel and Equipment Fees**

On- or off- campus groups may be charged for services provided by lighting, sound or A/V technicians, building monitors, janitors, ushers, or security personnel. Rates for these services range from \$13 to \$35/hour depending on personnel and services provided. Charges for usage of A/V equipment range from \$25/event day to \$200/event day depending on type and amount of equipment needed. Any additional charges for equipment will be specified at the time of the request.

**Premium Event Rates**

Certain events are considered premium events and require special consideration for determining rate increases. Such additional charges may be necessary for events such as weddings/receptions, complex, political, or high-profile events. Reasons for increased charges include but are not limited to additional staffing needs, heightened security, third party vendors, significant media presence, parking requirements, custodial/maintenance requirements, impact on the academic schedule or mission of the university, and/or other unforeseen circumstances.

The cost of these services vary from year to year and the academic department makes decisions regarding summer session structure subsequent to the deadlines outlined in the Board of Trustees approved Institutional Plan for Student Fees and Other Charges. **Colorado School of Mines  
Tuition and Fees Refund Policy**

The amount of tuition and fee assessments is based primarily on each student's enrolled courses. In the event a student withdraws from a course or courses, assessments will be adjusted as follows:

If the withdrawal is made prior to the end of the add/drop period for the term of enrollment, as determined by the Registrar, tuition and fees will be adjusted to the new course level without penalty.

If the withdrawal from a course or courses is made after the add/drop period, and the student does not officially withdraw from the School, no adjustments in charges will be made.

If the withdrawal from courses is made after the add/drop period, and the student withdraws from School, tuition and fee assessments will be reduced according to the following schedule:

Within 7 calendar days following the end of the add/drop period, 60 percent reduction in charges.

Within the next following 7 calendar days, a 40 percent reduction in charges.

Within the next following 7 calendar days, a 20 percent reduction in charges.

After that period, no reduction of charges will be made.

To comply with federal regulations surrounding student financial aid programs, the Director of Financial Aid may modify this schedule in individual circumstances.

The schedule above applies to the Fall and Spring semesters. The time periods for the Summer Sessions I and II will be adjusted in proportion to the reduced number of days in these semesters.
