General Info:

Footers Catering offers exclusively full-service events and does not offer delivery or drop-off services. We believe our on-site team is a crucial component to an excellent event. We specialize in large guest counts and logistically complex events. Our management structure fosters innovation to problem solve for unique event factors, such as cooking in fields with no power or water, or on building rooftops with limited access. Footers Coordination, Culinary, Hospitality and Operation departments collaborate to ensure that our team is prepared to provide exceptional service, regardless of guest count, location, or other challenges.

Footers is proud to be a preferred partner at over 60 venues in the Denver Metro and Rocky Mountain regions. We consider our venue partners an essential factor to reaching an incredibly wide variety of events. We have strong relationships with local and national event coordinators for weddings and non-profit galas. With 40 years of experience in the Denver industry, we are fortunate to have long-lasting relationships with social and corporate clients. We also partner with over 50 non-profits throughout the year to support their gala events.

One of the most innovative and impactful benefits we offer our non-profit partners are our intimate 10-guest Interactive Dinners that most use as an auction item. These private chef dinners hosted in the Social Capitol Interactive Kitchen are valued at over \$1,500 and have helped raise as much as \$7,000 for each non-profit.

A DESTINATION FOR ALL WHO BELIEVE WE ARE BETTER TOGETHER

April and Anthony Lambatos and the Footers Family have long dreamed of a tangible space that embodies their passion for cultivating Social Capitol. A space where connection and culture thrive. A place to champion creativity and innovation. A home for heartfelt celebrations and extraordinary achievements.

In early 2021, the Footers' team dream became reality. We are thrilled to welcome our community and events of all kinds. In addition to events, Social Capitol is home to Footers Catering and MIBE Tribe - Heartfelt Leadership Education & Coaching.

IN-HOUSE EXPERTISE

The benefit of two event service companies under one roof is seamless planning. Confirming an event at Social Capitol includes venue rental and bar packages.

After confirming your date, a Footers Catering Coordinator will dive into custom menu design and hospitality service with you. For 40 Years Footers has been committed to using the freshest ingredients cooked on-site at every event.

Footers in-house designers can bring great value to your event by providing centerpieces, custom signage, and installations in-house. These services are invoiced separately through Footers Catering.
