Spring Rush Interviewing Day

Held each year in the middle of April to assist employers looking for interns and full-time hires before the end of the semester.

WIRED Event:

Held the day before career day, it is a fun opportunity to connect with students by helping them get ready for the fair by reviewing resumes, 30-second introduction and other topics.

Information Sessions:

An effective way to increase your branding! 45 min sessions provide a convenient way of presenting information to students who have been selected for interviews and informally meet and recruit new interested students.

Information Tables:

An alternative way to increase your branding!
To expand your name recognition with a table on campus in a high traffic area. Available on a limited basis.
Not Available Until Further Notice
