

Funded Student Requirements

- **Research Ethics Requirement** - All students supported at any time in their graduate career through the National Science Foundation (NSF), as research assistants, hourly employees or fellowship awardees, must complete training in the responsible conduct of research (RCR). This requirement is in addition to all other institutional and program requirements described below and in the appropriate program sections of this Bulletin.

To satisfy the RCR requirement students must complete one of the following options:

- [LAIS565](#) - Option available to all students
- [SYGN502](#) - Option available to all students
- **Sexual Harassment Prevention Training** - All students on RA/TA contracts must complete Sexual Harassment Prevention Training. If you have not done this in the past at Mines, Human Resources will offer training sessions. Please register for the training on the Human Sources Training on Blackboard Web site (<http://inside.mines.edu/HR-training-bb>). If you have difficulty registering, please contact Nancy Cummings (ncummings@mines.edu).
- **Laboratory Safety Training** - All new graduate students, other than those who will study economics, math or computer science must attend an introductory environmental health and safety seminar. Please register for one of these sessions at <http://www.is.mines.edu/EHS/gsss/default.aspx>. If you have questions, please contact Tim Sweitzer (tsweitze@mines.edu).
- **Faculty Oath Requirement** - Colorado Revised Statute 22-61-104 requires all US residents and US naturalized citizens employed by the School who have teaching responsibilities to sign, and have notarized a Faculty Oath. This requirement extends to all US resident and US naturalized graduate students who are employed by the School as Research and Teaching assistants.
