

# Mines Park Emergency Evacuation Plan

## Plan Ahead

**Learn the location of the exits in your building, not just the entrance you usually come in.**

**Know the location of the nearest fire alarm pull station in your building.**

## Evacuation Procedure during an Alarm

**Take Essential belongings if immediately at hand. (Keys, Wallet, Purse)**

**Encourage others to leave, close doors behind you.**

**Follow exit signs and leave the building by the nearest exit.**

**Move away from the building (at least 75 -100 feet or across the street).**

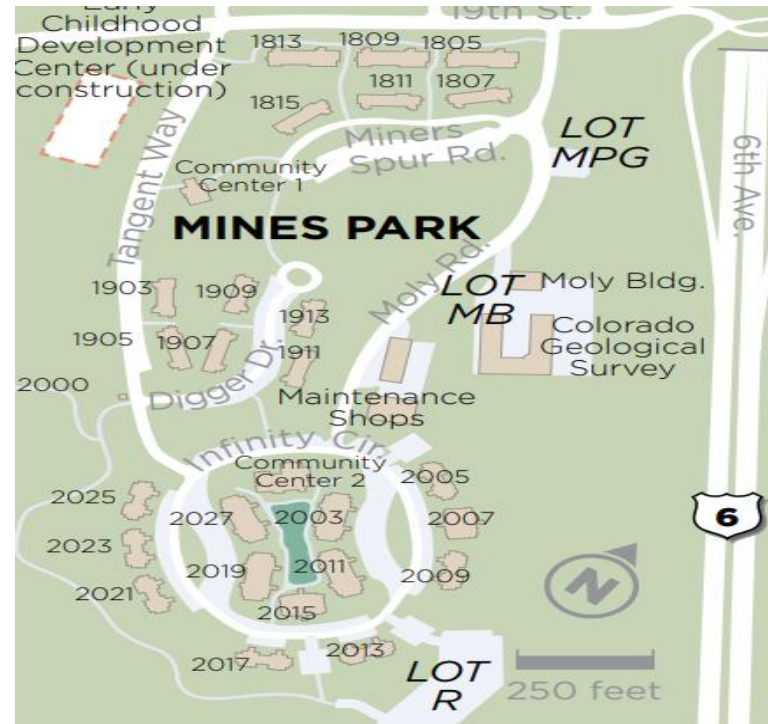

**Do not re-enter your building until told it is okay.**

**Do not interfere with the Fire Department.**  
Look for someone wearing a red Building Evacuation Team vest if you have questions.

## Mines Park is Equipped with Alarms:

**Audible Alert:** repeating pulsed tone.

**Visible Alert:** white strobes located throughout the buildings.

## If you discover a fire:

**Alert** people in the area of the need to evacuate.

**Activate** the nearest fire alarm pull station (typically by exits).

**Call** 911 from a safe location and give the operator all details.

**Once outside find a Public Safety Officer or a Fire Department member,** the Fire Department will want to talk to you.
