

OCTOBER 2018 LEARNING PROGRAM: **CYBER SECURITY AWARENESS**

A Learning Expedition...

Learning is a journey, not a destination

Mines Learning & Development

Supporting your journey of personal success

In collaboration with...

**Computing, Communications, and
Information Technologies (CCIT)**

NATIONAL CYBER SECURITY AWARENESS MONTH

Don't be spooked this October by phishing, social engineering, data breaches & other attempts by hackers to steal your information. Participate this month to learn more about what you can do to stay protected!

OCTOBER PRIZES!

STUDENTS:

This month, use your multi-pass credentials to introduce yourselves to Mines' e-learning platform, **Skillsoft!** Work your way through the curated learning program, pass the quiz, and you could win a...

Sphero BOLT App-Enabled Robot
& other prizes!

EMPLOYEES:

This month, use the resources in the learning program to pass our Mines Cyber Security Awareness Quiz! By passing, you'll earn (3) additional entries to win a...

\$50.00 Mines Bookstore Gift Card!

NEW TO THE EXPEDITION?

- ◆ At the beginning of each month, curated Learning Programs are released
- ◆ Every item you launch & complete earns you (1) entry into the monthly drawing
- ◆ You can work through the curated resources at your pace! Try establishing a designated time each week to complete it (i.e. Wednesday from 2:00pm to 2:30pm)
- ◆ Enroll in the **October 2018 Learning Program TODAY** at mines.skillport.com

For questions or more information, contact Jackson Rozeske at learn_and_develop@mines.edu
*Chrome or Firefox browsers are recommended when using Skillsoft
