Follow this [link to RSVP](#)

From this event, you will learn how to:

- **speak** and **connect** with others
- provide and receive direct and honest **feedback**
- create more **constructive** and **high performing** teams
- keep your work and your world moving **forward**

While the time commitment to joining an MCA is minimal, collectively we can make a big difference. Together we can show that all people are supported and valued at the Colorado School of Mines, therefore, We invite all members of campus to show your support by being a member.
