Colorado School of Mines EVERFI Frequently Asked Questions (FAQs)

Accessing the Course
Students are assigned to the course based on being registered with Mines. This is the website for logging in: https://admin.fifoundry.net/colorado_school_of_mines/sign_in.

If you need help accessing the course, reach out to titleix@mines.edu and ask to have a password reset. This is very quick for us to do. When we reset the password, you will receive an email that looks like this:

Hi [username],

Someone has requested a password change for your EVERFI account. If this was you, click here to reset your password with EVERFI.

Your password won’t change until you access the link above and create a new one.

If you don’t want to change your password or didn’t request this, just ignore and delete this message.

To keep your account secure, please don’t forward this email to anyone.

Sexual Assault Prevention - Undergraduate Courses
About how much time is it going to take me to complete the module?
Technical information for completing the modules:

- Work at your own pace from any computer or tablet
- Courses will save your progress if you need to stop and return later
- Courses are best supported by the latest versions of Chrome, Firefox, and Safari (preferred), or Microsoft Internet Explorer 11+
- If you have any accessibility issues, please select “accessibility mode” once you are in the course
- Need more help? Contact EVERFI’s 24/7 tech support using “Help” within the course or by visiting support.everfi.com

Will you be able to see my individual responses?

No, pre-survey, assessment, and post-survey is anonymous/de-identified. We will only be able to see your completion status, and attestation that you have reviewed and accepted our university policies.

I have already taken this module or a similar module at another university. Am I exempt?

No, this module has been customized for students at the Colorado School of Mines, including definitions, policies, and resources that are specific to our university.

I am a survivor of sexual assault, domestic/dating violence, or stalking and it could be triggering for me to take this module. Am I exempt?

Compassion is one of our values at the Colorado School of Mines and we understand that exceptions may exist and we manage those in the Office of Institutional Equity & Title IX on a case by case basis. Because this module has been customized for students at the Colorado School of Mines, including definitions, policies, and resources that are specific to our university, it is important for new students to learn those things and we may be able to schedule a one on one appointment to train individuals on this content in a safe and compassionate way.

Additionally, resources may also be discussed with survivors to ensure safety and academic success.

What happens if I do not complete the modules?

If a required module is not completed, a hold will be placed on the student’s account and they will be unable to register until the course is completed. It may take up to a week for the hold to be removed.
