RESOURCES FOR SURVIVORS

If you, or someone you know, has experienced sexual harassment, sexual assault, or interpersonal violence (domestic/dating violence, and stalking) at any point, there are multiple options to talk to someone and access resources both on and off campus.

Want to talk to someone at Mines?

Yes

- Wellness Center
  1770 Elm Street
- Health Center
  303-273-3381
  Speak to a nurse practitioner or physician.
- Counseling Center
  303-273-3377
  Speak to a licensed counselor confidentially.

- Mines Faculty or Staff
  Look for those who have the “I Believe You” badge. They have been through additional training.

  Please note: Mines faculty and staff are considered mandatory reporters* and must share any reports they receive with the Office of Institutional Equity and Title IX. However, the decision on how to move forward is yours.

  *With the exception of the Mines Counselors, Health Center professionals, and the designated Confidential Resources for the Office of Institutional Equity and Title IX.

- The Office of Institutional Equity and Title IX
  titleix@mines.edu
  303-273-3260
  Share instances of interpersonal violence with the Institutional Equity and Title IX team. There are multiple options:
  1. Speak to a Confidential Resource. Receive support and referrals, learn about options.
  2. Make an informal report. You have the option to just receive support services.
  3. Move forward with a formal complaint. Receive process advising as well as support services.

- Mines Police
  303-273-3333 or 911
  Speak to a Mines Police Officer. There are multiple options:
  1. File an anonymous report. You do not have to assist the police with an investigation.
  2. File a non-prosecutorial report. You do not have to assist the police with an investigation.
  3. File a criminal complaint. Criminal charges will be pursued.

No

- Medical Attention at St. Anthony Hospital
  Emergency Room
  720-321-4103
  If you choose to get a Medical Forensic Exam (rape kit), there are multiple reporting options, with medical care at each step:
  1. Anonymous. Kit is not tested and police receive no identifying information.
  2. Medical. Kit is tested and police can receive identifying information.
  3. Police. Kit is tested and police are notified.
