THE VENTURE CENTER: EDUCATE • CONNECT • LAUNCH

FUNDING OPPORTUNITIES

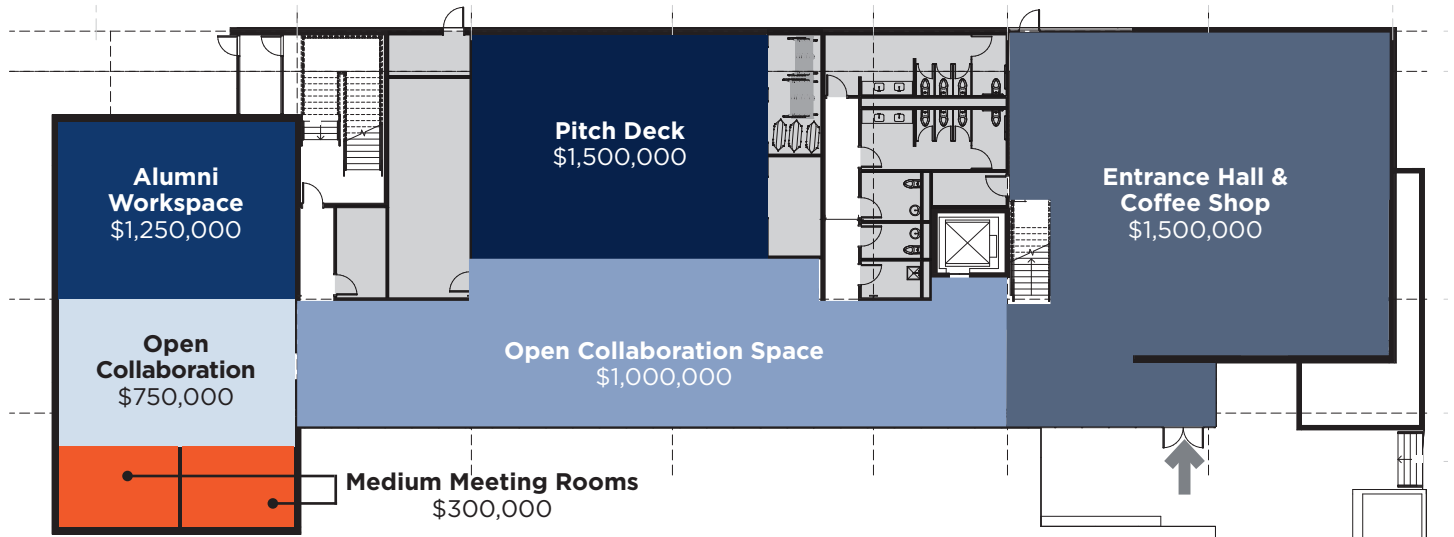

Take your Mines legacy to the next level by funding a space in the Venture Center, where Oredigger ideas become tomorrow's next big innovations.

"The Venture Center is where the ideas meet the real world," explains Mike Beck, who, along with his wife, Kelly, is the lead donor for the center and a parent of two Mines graduates. Part of the bold new entrepreneurship and innovation (E&I) ecosystem at Mines, the Venture Center is a place where students can use their creativity, technical prowess, and business savvy to take the final steps that turn breakthrough ideas into breakthrough solutions and technologies. From large, open collaboration spaces to small meeting rooms and a bustling cafe, this brand-new building is a vibrant facility that will inspire innovation, productivity and success. The Venture Center is designed to jumpstart businesses from students, faculty, alumni or anyone in the greater

community around Golden and Denver. It is an ideal place to cultivate relationships, give and receive feedback and transform prototypes and venture ideas into market-ready innovations and successful start-ups.

Your gift can help make this and so much more possible. By funding an area of the Venture Center, you are not just putting a name on a space. You are contributing to tomorrow's innovative startups and the future business leaders who will create them, the technical skills and imaginations of some of the world's most innovative students, faculty and researchers. You are also investing in Mines' reputation as a place where ideas come to life.

THE VENTURE CENTER LEVEL ONE

PITCH DECK

\$1,500,000

With space for up to 100 people, the first-floor “Pitch Deck” will be an event space available for a wide range of campus day and evening events, with a special focus on events used to connect Mines innovators and entrepreneurs with funding and partnership opportunities.

ENTRANCE HALL & COFFEE SHOP

\$1,500,000

An inviting space that is perfect for anyone in the Venture Center to recharge and refuel, talk ideas, or have a spot to keep brainstorming on all the great ideas buzzing around in their heads. To-go service is also available so that anyone can grab a quick coffee or snack and return to their workspace.

ALUMNI WORKSPACE

\$1,250,000

The Venture Center is a place for the entire Mines community to work on individual and team endeavors. The Alumni Workspace is a dedicated area where innovative Mines alums can gather to share ideas with one another about their own startups in addition to meeting and consulting with student groups.

OPEN COLLABORATION SPACES

\$750,000–\$1,000,000

Multiple teams can come together with each other as well as local entrepreneurs, startup experts and external partners. These spaces invite easy collaboration, both formal and informal, providing an opportunity for bringing unique perspectives to ideation, solving challenges, prototype design, potential funding avenues and more.

MEDIUM MEETING ROOMS

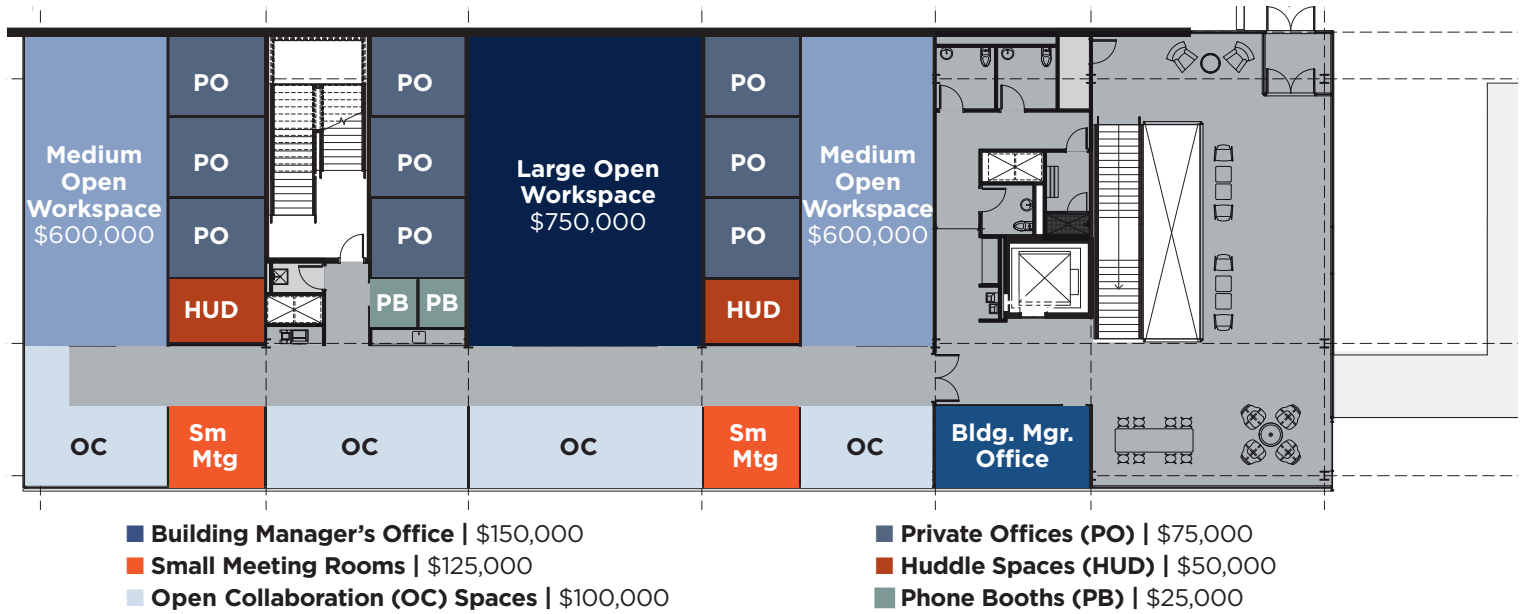

\$300,000

The Medium Meeting Rooms have seating for 10–12 and provide student teams and mentors with private space to brainstorm, map out strategies on whiteboards and conduct in-person and virtual meetings with potential partners and funders.

For more information on pricing, please contact the Mines Foundation at 303.273.3275.

THE VENTURE CENTER LEVEL TWO

LARGE OPEN WORKSPACE

\$750,000

This spacious area provides plenty of room for multiple teams to meet with external partners and potential funders, as well as other student teams, to share ideas and further develop their product prototypes, including those on a larger scale.

MEDIUM OPEN WORKSPACE

\$600,000

This area is available for teams to meet with, collaborate, brainstorm and make progress on their venture ideas with external partners and/or fellow students and faculty.

BUILDING MANAGER'S OFFICE

\$150,000

This office oversees operations for the Venture Center.

SMALL MEETING ROOMS

\$125,000

Meeting rooms with seating for six to eight people, providing student teams and mentors with private space to brainstorm and map out strategies.

OPEN COLLABORATION SPACES

\$100,000

Multiple Mines teams can come together with each other as well as local entrepreneurs, startup experts and external partners. These spaces invite easy collaboration, both formal and informal, providing an opportunity for bringing unique perspectives to ideation, solving challenges, prototype design, potential funding avenues and more.

PRIVATE OFFICES

\$75,000

These offices are where our external partners such as local entrepreneurs and venture capitalists can have private space to work during their time on campus and a place to meet with students.

HUDDLE SPACES

\$50,000

Huddle Spaces include a table and outlets for technology hookups, providing a dedicated space for students to have one-on-one meetings in person or virtually with mentors, potential funders and others regardless of these partners' physical locations.

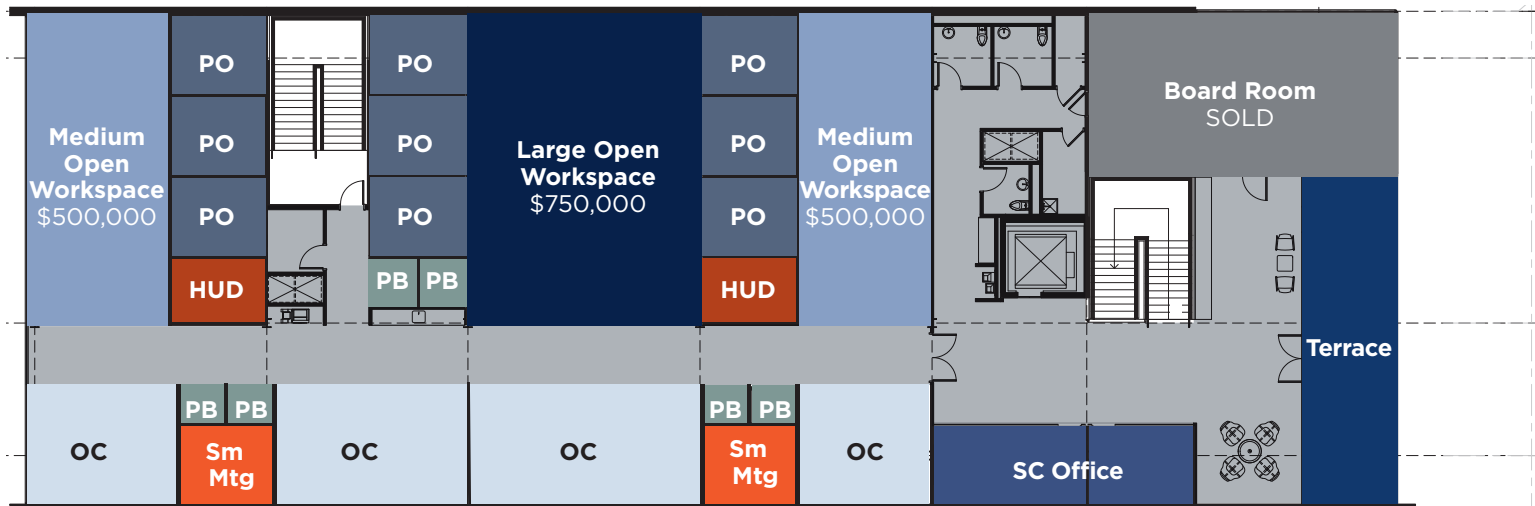

PHONE BOOTHS

\$25,000

A distraction-free spot for one to two people to make a call or host a quick in-person or virtual meeting to discuss ideas with potential funders or collaborators.

THE VENTURE CENTER LEVEL THREE

- Terrace | \$500,000
- Startup Coaching (SC) Office | \$150,000
- Small Meeting Rooms | \$125,000
- Open Collaboration (OC) Spaces | \$100,000
- Private Offices (PO) | \$75,000
- Huddle Spaces (HUD) | \$50,000
- Phone Booths (PB) | \$25,000

LARGE OPEN WORKSPACE

\$750,000

This spacious area provides plenty of room for multiple teams to meet with external partners and potential funders, as well as other student teams, to share ideas and further develop their product prototypes, including those on a larger scale.

TERRACE

\$500,000

An outdoor space for meetings and receptions with spectacular views, the terrace will provide our entrepreneurial partners and local business leaders, students, faculty, staff and/or other guests the chance to mingle while being inspired by the natural beauty of the Mines campus and its surrounding area.

MEDIUM OPEN WORKSPACE

\$500,000

This area is available for teams to meet with, collaborate, brainstorm and make progress on their venture ideas with external partners and/or fellow students and faculty.

STARTUP COACHING OFFICE

\$150,000

The headquarters of Mines' bold vision for entrepreneurship and innovation on our campus, this is where the ideas for new E&I programming and students' own entrepreneurial ideas take shape. It is a space for mentors from the business community as well as Mines alumni and faculty to work with students to learn the process of making a business idea become a reality, including how to secure early funding and other startup necessities. The offices of Mines' E&I leadership will also be part of this space.

SMALL MEETING ROOMS

\$125,000

Meeting rooms with seating for six to eight people, providing student teams and mentors with private space to brainstorm and map out strategies.

OPEN COLLABORATION SPACES

\$100,000

Multiple teams can come together with each other as well as local entrepreneurs, startup experts and external partners. These spaces invite easy collaboration, both formal and informal, providing an opportunity for bringing unique perspectives to ideation, solving challenges, prototype design, potential funding avenues and more.

PRIVATE OFFICES

\$75,000

These offices are where our external partners such as local entrepreneurs and venture capitalists can have private space to work during their time on campus and a place to meet with students.

HUDDLE SPACES

\$50,000

Huddle Spaces include a table and outlets for technology hookups, providing a dedicated space for students to have one-on-one meetings in person or virtually with mentors, potential funders and others regardless of these partners' physical locations.

PHONE BOOTHS

\$25,000

A distraction-free spot for one to two people to make a call or host a quick in-person or virtual meeting to discuss ideas with potential funders or collaborators.
