Community Meeting

June 16, 2020
Agenda

• Mines active construction project update
  – 14th Street (Maple – Illinois)
  – Parking Garage/Classroom Building (14th and Maple Street)
  – Spruce Hall (19th and Illinois Street)
  – Utility Infrastructure Improvements

• Master Plan Capital Projects On Hold
  – Sub-Surface Frontiers Building (18th & Cheyenne)
  – Parking Garage Washington Street/18th
  – Beck Venture Center Washington Street/18th
  – Early Childhood Education Center (19th & Tangent Way)

• Projects In Design
  – Labriola Innovation Hub – OZ Architecture Schematic Design Presentation
Active Project Update
14th Street

- Extend 14th street from Illinois to Maple street
- Remove Parking and to through traffic
- Some landscape improvements
- Work to start July
- Tracking fall 2020 completion
Parking Garage 1

- 760 spaces
- 23,000 sf of classroom/office space
- Project is 85% complete
- Tracking summer 2020 completion

- Most of the remaining work is interior, site work and landscape
Spruce Hall

- Meets the need for all freshmen living on campus
- 420 beds, 110,000 SF
- Project is 90% complete
- On target for Summer 2020 completion

- Most of the remaining work is interior, site work and landscape
Campus Utility Infrastructure Improvements

• New steam and chilled water infrastructure
• Steam and Chilled Water on 18th street finished this summer
• Second phase of work (within existing tunnel) on Maple at 16th Street through fall 2020
• Future tunnel work crossing Illinois St. within 18th St. to Cheyenne St pending Frontiers funding
## Master Plan Capital Projects On Hold
