

# Community Informational Meeting

April 28, 2022

# Introduction

---

**COLORADO SCHOOL OF MINES**  
EARTH • ENERGY • ENVIRONMENT

**Jason T. Slowinski**  
Associate Vice President  
Infrastructure & Operations

[www.MINES.edu](http://www.MINES.edu)

# Agenda

---

- **Early Childhood Education Center (ECEC) Presentation**
- **Update on Active Campus Projects**
  - Beck Venture Center
  - Labriola Innovation Hub
- **Other Capital Projects**
  - MINES Park Village
  - Sub-Surface Frontiers Research Building (18<sup>th</sup> & Cheyenne)
  - Parking Garage II (18<sup>th</sup> & Washington)
- **Campus Operations Updates**
- **Q&A**

# Early Childhood Education Center (ECEC)

---

# Active Project Update

---

# Global Impacts to Building Environment

---

- **Rapidly changing development scene**
- **Impacts to projects across campus**
  - Material availability/ Supply chain issues (e.g. long lead times for basic materials, such as carpeting)
  - Contractor workforce availability/ consistency
  - Materials costs are rapidly escalating impacting project costs

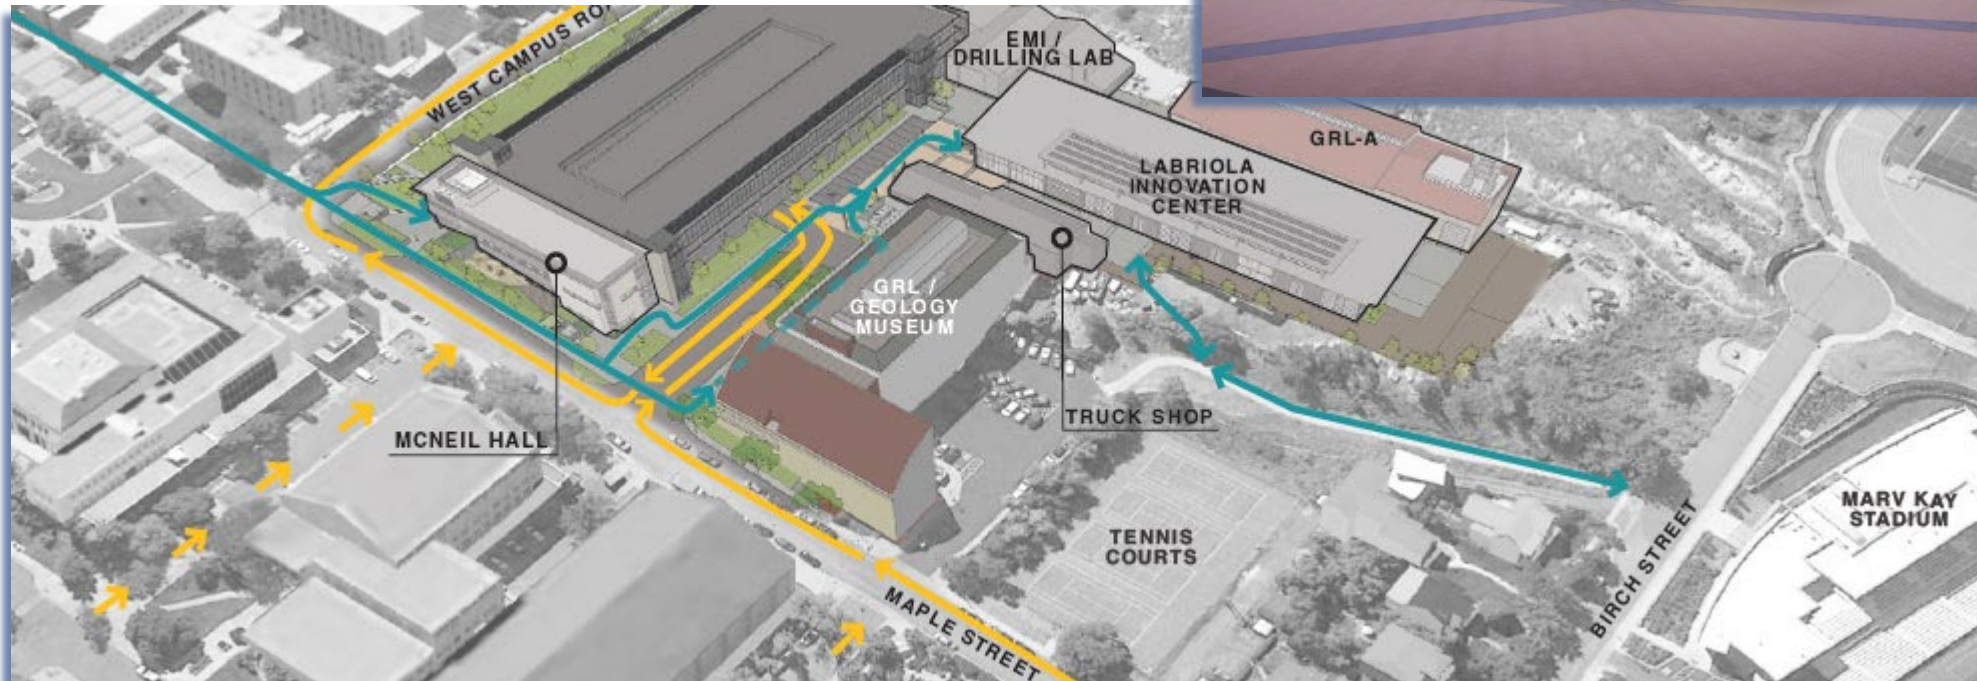

# Beck Venture Center

- Schedule
  - Earth work begins March 2022
  - **Groundbreaking on April 21st**
  - Completion August 2023
- Details
  - Café space (17<sup>th</sup> & Washington)
  - 3 stories; approx. 30,000 SF

# Labriola Innovation Center (LIC)

- Cross-disciplinary, collaborative environment for innovation
- Showcase for innovative culture at MINES
- June 2023 completion – soil challenges

# Other Capital Projects

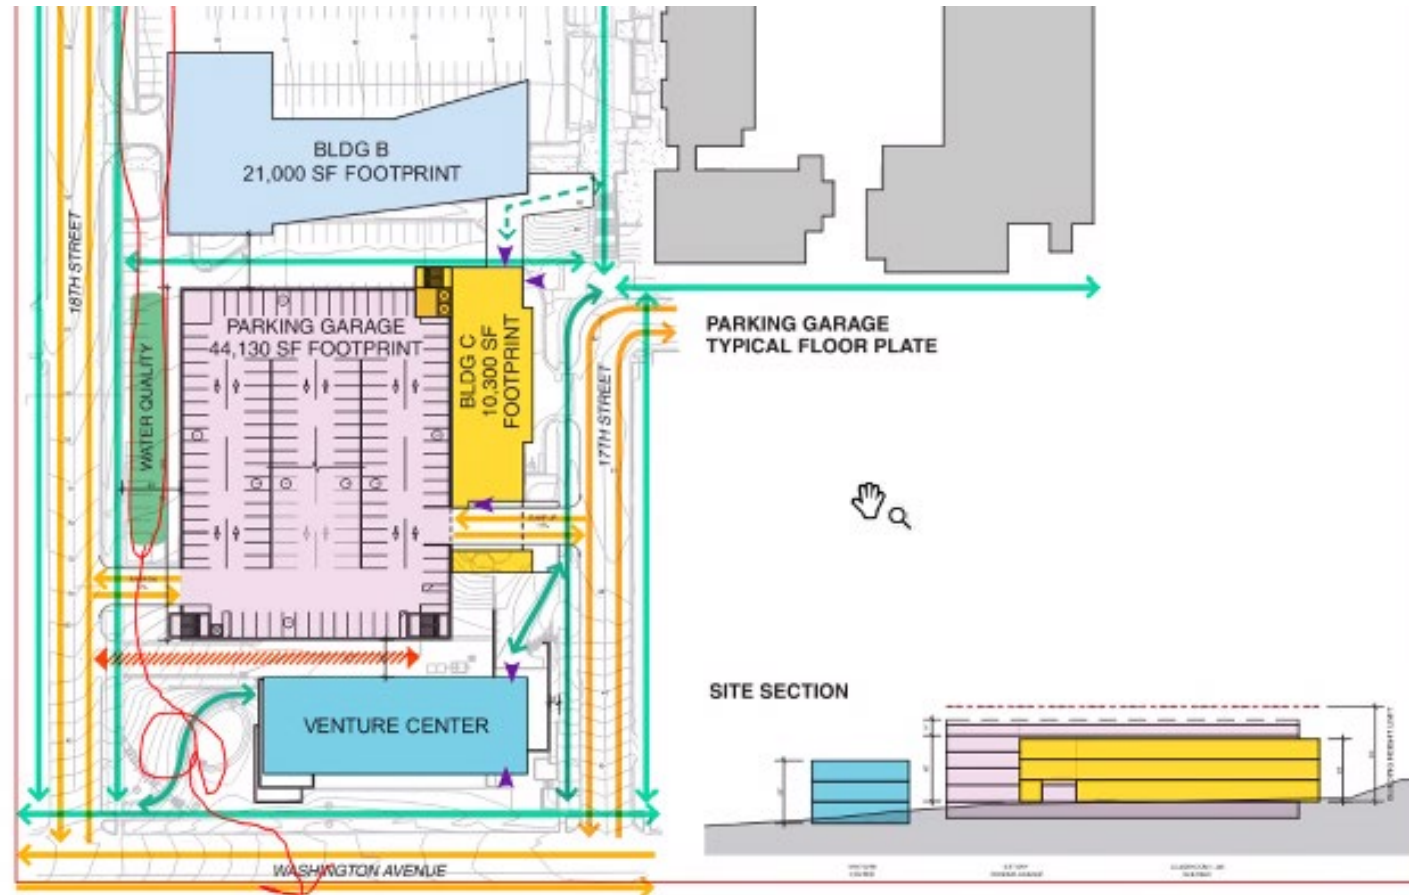

---

# Other Capital Projects

April 26, 2022

Dear Colorado School of Mines Neighbors,

Our campus will soon celebrate our spring commencement with four ceremonies over two days. All ceremonies will be held in Lockridge Arena, inside the Student Recreation Center. The schedule for the ceremonies is as follows:

Thursday, May 12 at 3 p.m. – Graduate Commencement

Friday, May 13 at 9 a.m. – Undergraduate Ceremony #1

Friday, May 13 at 1 p.m. – Undergraduate Ceremony #2

Friday, May 13 at 5 p.m. – Undergraduate Ceremony #3

We anticipate additional vehicle and pedestrian traffic in the area around the Student Recreation Center between Elm & Illinois and 13th & 18th Streets on Friday, as well as a general increase of activity around campus. Please reference the attached map for more information on where we are routing guests to park.

Commencement is a true milestone for our students and their families, and is a symbol of the most important thing we do at Mines. The past year we have been unable to celebrate in person, and both graduates and families are excited to attend this celebration on our campus. We thank you in advance for your patience and support as we celebrate the accomplishments of our newest graduates and welcome them into our global alumni community.

If you have questions or concerns about the events, please contact Lisa Elson, Director of Commencement and Special Events, Office of the President, 303-273-3488.

Thank you and Go Orediggers!
