1. On what grounds is the appeal being requested? (Check all that apply)

   _____ Appropriateness of Sanction: Appealing whether the sanction(s) imposed was appropriate in relation to the Policy violation for which Respondent was found responsible.

   _____ Procedural Irregularities: Appeal asserting irregularities in the application of these Procedures that affected the outcome of the matter. Minor procedural deviations that do not materially affect the outcome are not a basis for accepting a procedural irregularity appeal and reversing a decision.

   _____ New Information: Appeal requesting consideration of new information or other relevant facts that are sufficiently material to affect the outcome but only when such information was not available at the time the determination regarding responsibility or dismissal of the Formal Complaint was made.

   _____ Bias: Appeal asserting that the Title IX Coordinator, investigator(s), hearing officer, or decision-maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter.

2. Please indicate how the selected ground(s) for appeal applies to your situation?
