Community College Transfer Guides

The Registrar’s Office has created transfer guides for interested students who are taking courses through a community college that we have an articulation agreement with. Each guide is separated by degrees offered at Mines. Use the links below for more information.

* Please be aware that articulation agreements are currently being reviewed and updated, so some of these guides may be out of date. For the most up to date information, be sure to consult the Catalog and the Flowcharts located on the departmental websites for more information.

B.S. in Applied Mathematics and Statistics
B.S. in Chemical Engineering
B.S. in Chemistry
B.S. in Civil Engineering
B.S. in Computer Science
B.S. in Economics and Business
B.S. in Electrical Engineering
B.S. in Engineering Physics
B.S. in Environmental Engineering
B.S. in Geological Engineering
B.S. in Geophysical Engineering
B.S. in Mechanical Engineering
B.S. in Metallurgical and Materials Engineering
B.S. in Mining Engineering
B.S. in Petroleum Engineering
