Enrollment Verification Services for Mines Students

There is no need to go the Registrar’s Office for an official enrollment verification! Colorado School of Mines has partnered with the National Student Clearinghouse (www.enrollmentverify.org) to provide online official enrollment verifications.

- For all currently enrolled students with access to Trailhead, there is no fee for this service.
- **Official** Enrollment Verifications are available within the first week of the term and cover the current term.
- **Unofficial** Pre-Enrollment Verifications are available two months before the start of the term.

Follow the instructions below to set up an account and login to the NSC website to print your official enrollment certificates for:

- Insurance companies
- Credit card companies
- Parents
- Scholarships
- Employers
- Loan deferments

If you run into any issues with a company or organization that will not accept this enrollment verification, please have the company contact us directly at 303-273-3200 or
