**GEODE Schedule Planner**

The **GEODE Schedule Planner** is a web-based registration schedule planner for use by students to create the perfect class schedule and to eliminate time-consuming schedule generation. It can now be used to add or drop classes straight from the tool without leaving the system.

To plan the perfect class schedule, login to [Trailhead](#). Click on the GEODE Scheduler Widget:

Fun Fact: GEODE is not an acronym, it is simply a branding name that students voted on to be the “rock” of their new registration efforts.
