

Minor ASI Declaration

Minor ASI Declaration

Graduate Students

Please contact the Office of Graduate Studies for more information on declaring a Minor or ASI.

Undergraduate Students

You must complete a Minor/ASI Declaration Form in order to declare a Minor or ASI. For a list of the available minors and ASIs, [click here](#). To submit a Minor/ASI Declaration, all of the following information must be completed:

1. Your name.
2. Your CWID.
3. The name of the Minor/ASI program that you are declaring. (For a list of available Minors and ASIs, please see the Catalog.)
4. Your declared major.
5. Your expected date of graduation.
6. In the box in the center of the form, all of the courses that will be used to meet the requirements for the minor/ASI must be listed. Please list all courses that you have completed as well as all courses that you are still planning to complete and the credit hours for each class. The grade column will be completed by the Registrar's Office.
7. Your academic advisor must sign the form.
8. The department head of the minor/ASI you are declaring must sign the form.

9. Your major department head must sign the form.

Once all of the information has been completed and the required signatures have been obtained, please return the form to the Registrar's Office for processing. The minor/ASI will appear on your unofficial transcript on Trailhead when it has been added to your student record.

If you need to make changes to the courses listed on the form, please come to the Registrar's Office to pick up the original. The office staff will make a copy of the form. You must have the minor/ASI department head initial next to the changes on the form to approve it before it can be re-submitted.

If you wish to remove the minor/ASI, please come to the Registrar's Office to pick up the original form. Your signature will be required at the bottom of the form to have it removed from your graduation requirements.

Undergraduate Minors and ASIs

There are currently 38 minors available to undergraduate students:

- Aerospace
- Biomechanical Engineering
- Biomedical Engineering
- Biophysics
- Chemical Engineering
- Chemistry
- Computational & Applied Mathematics
- Computer Sciences
- Culture, Creativity, and Communication
- Economics
- Electrical Engineering
- Energy
- Engineering Physics
- Environmental Sustainability Studies

- Explosive Processing of Materials
- Explosives Engineering
- Geological Engineering
- Geophysical Engineering
- Geophysics
- Global Politics and Society
- Humanitarian Engineering
- International Political Economy
- Leadership in Social Responsibility
- Liberal Arts & International Studies Individualized Undergraduate Minor
- Mathematical Science
- McBride Honors in Public Affairs
- Mechanical Engineering
- Metallurgical & Materials Engineering
- Military Science
- Mining Engineering
- Music, Audio Engineering, and Recording Arts
- Operations Research
- Organic Chemistry
- Petroleum Engineering
- Science, Technology, Engineering & Policy
- Statistics
- Teaching
- Underground Construction & Tunneling

There are currently 23 ASIs available to undergraduate students:

- Chemistry
- Chemistry – Environmental Specialty
- Chemistry – Biochem Specialty
- Computational & Applied Mathematics
- Computer Sciences
- Economics
- Electrical Engineering
- Entrepreneurship

- Engineering Physics
- Explosives Engineering
- Geological Engineering
- Humanitarian Engineering
- International Political Economy
- Literature, Society, & the Environment
- Mathematical Sciences
- Mechanical Engineering
- Mining Engineering
- Music Technology
- Petroleum Engineering
- Polymer Chemistry
- Science, Technology, Engineering & Policy
- Space and Planetary Science and Engineering
- Statistics
