Study Abroad and International Transfer

I would like to study abroad. Who should I contact?

Contact Mines Education Abroad to get with the necessary steps for obtaining transfer credit.

What Universities are eligible for transfer credit?

Mines Education Abroad maintains a database of courses and universities that have been pre-approved for transfer. Paperwork to take these courses is located on the Academics Abroad page.

Institutions must be approved by the Department of Education or the equivalent in the country of residence. International institutions that are regionally accredited are also eligible. No credit can be awarded for any summer program in China. If you have a question if an institution is eligible, please contact transfer@mines.edu.

What is the conversion for transfer credit?

ECTS hours are 2 hours for 1 semester hour. Other conversions are made on a per University basis through AACRAO IES guidelines. This data can be requested through transfer@mines.edu.
I have study abroad paperwork that needs to be signed by the Registrar's Office. What do I need to submit?

Submit all course requests to the Mines Education Abroad office. Instructions for doing this are on the Academics Abroad page.

I have a question not listed here. Who should I contact?

Please email transfer@mines.edu if you have any questions.
