Part 5 – Acknowledge and Sign

Check each box to acknowledge that you have read and understand the following.

Then sign the following page.

- Include all required documentation and fill out all applicable sections. Incomplete petitions may be closed with no option for appeal.
- Petitions are due to the Registrar's Office no later than July 15 for Fall Semester or December 1 for Spring Semester. The Registrar's Office cannot guarantee review of petitions received after the deadline. Therefore, students who turn in a late petition must assume responsibility of tuition under their nonresident status for the applicable term.
- Official university communications are sent to the student's @mymail.mines.edu email address. The student may receive emails requesting additional information by a stated deadline; failure to do so may result in a petition closure with no option for appeal. Final petition decisions are sent to the student's email.
- Evaluations may not be complete prior to the bill due date. Thus, students classified as nonresident must make enrollment and financial decisions based on nonresident status unless notified otherwise. Petitions are evaluated in the order received. If you prefer an early decision, you are advised to submit your petition as early as possible before the deadline.
- If a student is granted Colorado residency, their tuition and financial aid will be adjusted, and they are not eligible for scholarships based on nonresident tuition.
- Classification as a Colorado resident for in-state tuition at another Colorado institution of higher education does not guarantee in-state tuition classification at Mines.
- ANY FALSE INFORMATION OR FALSIFIED SUPPORTING DOCUMENTATION INCLUDED IN THIS PETITION MAY SUBJECT YOU TO BOTH CRIMINAL CHARGES AND UNIVERSITY DISCIPLINARY PROCEEDINGS. IN-STATE STATUS MAY BE RESCINDED AND OUT-OF-STATE TUITION MAY BE RETROACTIVELY ASSESSED.
- Under Colorado tuition law, a person may not establish domicile in Colorado solely for the purpose of changing tuition classification to in-state. In the absence of clear and convincing evidence to the contrary, any student classified as out-of-state who seeks to establish Colorado domicile while registered is presumed under the tuition law to do so solely for tuition purposes.

I hereby swear/affirm that the answers given in this petition for in-state tuition classification are accurate and complete, and that all documents included are true and unaltered copies of the original documents requested. If my circumstances change, affecting the tuition status requested by this petition, I agree to notify the Office of the Registrar in writing within fifteen days of such change.

I understand it is my obligation to have in my possession a copy of this petition and all of its supporting documents, as reproductions will not be provided by the university at any future date.

I also understand that I am financially responsible for all classes in my student is registered or will register in the future, regardless of the outcome of this petition process.
