Report your COVID-19 vaccination status today!

Do your part and help Mines plan for a safe fall semester. Report your COVID-19 vaccination status today. Orediggers can comply with Mines' COVID-19 Vaccination Requirement through one of two options:

1. Provide proof of vaccination. Partial vaccination – the first of a two-shot regimen – will be accepted.
2. Complete a vaccination exemption form (medical or non-medical).

The deadline to comply with the COVID-19 Vaccination Requirement is Monday, Aug. 23, but the sooner you report your status, the better so Mines can make informed decisions for Fall 2021. Additional information, as well as exemption forms, can be found at mines.edu/vaccine.

How to Report Your Vaccination Status

Mines employees: Upload your COVID-19 vaccine cards or exemption forms through MAPS Secure Document Upload at: <https://helpcenter.mines.edu/TDCClient/2657/maps/Requests/ServiceDet?ID=48037>. Detailed instructions are available at the bottom of the page.

Mines students: Upload your COVID-19 vaccine cards or exemption forms through the **Student Health Portal** right here on Trailhead. Instructions can be found at: <https://www.mines.edu/coronavirus/vaccination/>.

Note: Student employees should submit through the **Student Health Portal**.
