Registration and Planning – brings you to the registration screen

[Student](#) > [Registration](#)

Registration

What would you like to do?

Prepare for Registration
View registration status, update student term data, and complete pre-registration requirements.

Register for Classes
Search and register for your classes. You can also view and manage your schedule.

Plan Ahead
Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.

Browse Classes
Looking for classes? In this section you can browse classes you find interesting.

View Registration Information
View your past schedules and your ungraded classes.

Browse Course Catalog
Look up basic course information like subject, course and description.

View grades – will give you all grades for all semesters (filterable by term and by UG or GR)
