Family & Friends Weekend event schedule

Friday, November 12

Mines Museum of Earth and Science
With more than 2,000 items currently on display and more than 40,000 total items in our collection, there will always be something new to see. We regularly rotate exhibits to provide fresh educational experiences and displays for our visitors to enjoy. Earn a free rock or mineral by participating in a family-friendly scavenger hunt and watch for changing themes!

11am-5pm Recreation Center Gear Rental
Get out and explore what Colorado has to offer as the SAIL Office partners with the Outdoor Recreation Center to cover gear rentals while supplies last.

9am-11am QPR Suicide Prevention Training Ballroom D/E*
QPR stands for Question, Persuade, and Refer—3 simple steps that anyone can learn to help save a life from suicide. Just as people trained in CPR help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and step in to help. Those who attend this two-hour training will be able to recognize the warning signs of suicide, ask someone about suicide, offer hope, and refer Mines students to appropriate resources. This training is limited to 30 attendees. Register HERE

9am-11am Engineering, Design, & Society (EDS) Open House McNeil Hall lobby and classrooms 216 and 316
Please join EDS faculty and staff for pastries and coffee to learn about our programs - Cornerstone Design, Capstone Design, and Humanitarian Engineering and Mines' innovation facilities: coming soon! et a tour of Mines' newest building, McNeil Hall, home of Cornerstone and Capstone Design.

10am / 1pm Edgar Mine Tours*

Join for this special tour hosted by students and staff at our very own Mine in Idaho Springs! This tour covers one-half mile of underground workings representing over 100 years of mine development and generally last one hour. Displays show drilling, blasting and mucking equipment; topics include mining practice, mining economics and the industry's role in modern society.
The mine is usually relatively dry and a constant 54 degrees Fahrenheit year-round. Hard hats are provided, but guests are asked to wear warm clothing and sturdy walking shoes. The mine is not wheelchair-accessible.

9am-12pm / 1-4pm Free Pour Friday*

Come learn how to build your own form and cast aluminum! Participants who register to attend must plan on staying for the duration of the event. Please note this is a hands-on experience. Long sleeves, pants and close toed shoes must be worn.

2pm Hike with the Outdoor Recreation Center*

Take your parents/friends on a hike near Golden! Show them the beautiful place you get to go to school with a beginner friendly local hike. We meet at the ORC (1741 Elm St.) at 2pm. The hike will be about 4.5 miles and about 900 vertical feet in elevation gain. You should be in moderate shape to join this trip. Both students and parents/friends will need to individually sign up. Please come prepared with good walking/hiking shoes, a small snack, at least 1 L of water, and appropriate layers of clothing. Transportation provided.
(Cost per person $5)

3pm Mines Park Residence Hall Tour

Mines Park is an apartment complex that was built to provide convenient, affordable housing for the expanding Mines community. The complex has apartments for both single upper-class (second-year and above) undergraduate students, graduate students, and families with one, two, and three-bedroom units for single students (individual bedrooms) and one and two-bedroom units for families. The tour will meet at the Mines Park Community Center II, 2001 Infinity Cir, Golden, CO 80401.
