Hello All!

This is Kameron Bell, the SAIL Finance Lead. Please look at the two surveys below. The first survey is the sign up to come to the first SAIL Inventory check on February 19th from 9am-12pm in Friedhoff Hall in Green Center. These will be held throughout the spring semester (1-2 more to be planned for this spring) and into next fall semester. These inventory checks must be completed and confirmed by SAIL by the start of Spring Semester 2023 or your accounts funds will be frozen at that time. Only one form per club please.

Allyship is an active practice that requires action - but what does that mean for each of us in our daily lives? And what can it mean for us as a campus community? This dialogue will highlight the voices and experiences of Mines students and staff members in discussion about what allyship is and is not, and provide specific examples for how each of us can be an ally within the Mines community. Sponsored by the Fraternity & Sorority Life Office and Presented by Esquilin Consulting for Equity and Inclusion
