FUNDRAISING INFO

Do you need additional funds to support your club's efforts this year, offset the costs of travel for competitions, or to implement a new program?

The Mines Foundation has successfully helped raise nearly \$300,000 in funds to support student clubs and organizations over the past several years. If you are interested in partnering with them, please fill out the [application](#) and return to Aly Winter (adugdale@mines.edu) by September 19. She will then coordinate an onboarding with your club to walk you through the process and timeline for fall 2022.

If fall is not a good fit, please make note that a second round of fundraising will be offered in the spring (March through end of April). We'll send details in February.

Reach out with questions and happy fundraising!

MEET MAC

Hello everyone! My name is Ashwini Shrestha, and I just wanted to introduce myself to you all. I am the Mines Activities Council Homecoming and Outreach Chair for this year. This means you can come to me for all things Homecoming! And then post-Homecoming, I will be working with USG to represent MAC and collaborate with other community groups and campus Clubs/Orgs. I really hope you all get involved in Homecoming this year, especially with Street Fair. This is a chance to show off your club to the Golden community! Afterward, one of my goals is to connect MAC with the campus more by reaching out to you all, receiving input on what events you'd like to see and possibly work on together! Thank you for taking the time to read this if you've made it this far, please reach out to me at ashwinishrestha@mines.edu or visit the MAC website! Thanks again 😊
