

GRANT APPLICATION 2024 - MINES@150

The SAIL office offers grants to students and student organizations every academic year to further Mines' efforts towards Mines @ 150 and to promote leadership and student involvement. The grants are given for specific projects and events and must tie to the intent set by SAIL for the year. You can request up to \$2,500 per proposal.

For this academic year we are offering grants in two specific areas:

- Diversity, Inclusion & Access
 - Projects and events submitted under this category aim to increase the cultural competency of our campus, create a climate of inclusion and understanding, provide opportunities for dialogue, increase access of k-12 students to STEM education. An update on the impact of these funds must be provided to SAIL by December 2024.
- Mines@150
 - Projects and events submitted under this category focus on celebrating Mines@150, promoting the values and pillars of Mines@150 and showcasing the accomplishments and future of Mines. An update on the impact of these funds must be provided to SAIL by December 2024.

Title email: SAIL GRANTS [your name or student group name]

First Name, Last Name:

CWID:

If you are filing this application on behalf of a student organization or student group, please indicate the name of the organization here:

Please select: I am applying for a D,I&A grant

I am applying for a Mines@150 grant

Summary of proposal:

How does your proposal address the intended purpose of these grants?:

Does your proposal tie directly to any other of the Mines @ 150 Goals? Please explain:

Will your proposal have a one time impact on campus/society or will it have a sustained impact?:

Proposal's budget:

Please, attach any additional documents that you will want us to review for this proposal and email your application to bruiz@mines.edu by January 31st, 2024.

Scoring rubric:

Summary of proposal - containing the project description, the amount requested, and a brief description of how the project will be completed will receive 3 points

Proposal category - a description containing the elements that make this proposal unique and its value within the category you are applying to, will receive 3 points

Additional Mines@150 goals - if your proposal ties to more than one pillar or value of Mines@150, it will receive an extra point

Impact of project - whether the impact is a one time or a sustained impact, explaining how you are positively impacting as many people as possible will give you 2 points. And extra point will be given to projects that either have or aim at creating sustained impact

Proposal budget - A budget that show the main items where the funds will be spent and justified why those are needed will receive 3 points

In the case of ties, the grants committee will decide to either distribute the funds or/and add additional factors to the decision making process, for example: most people impacted gets an extra point. Thanks
