2023 - 2024

ENFORCEMENT OF PARKING POLICIES OCCURS YEAR-ROUND, INCLUDING HOLIDAYS, SUMMERS, AND SEMESTER BREAKS

GENERAL INFORMATION

The Colorado School of Mines is a pay-to-park campus Monday through Friday, from 7:00AM-5:00PM. All vehicles parked on Mines property must have a valid Mines permit. The Colorado School of Mines strictly enforces its Vehicle Operation and Parking policy. Campus parking regulations, as well as state and municipal traffic codes are enforced at all times, including holidays and semester breaks. The parking policy can be found on our website.

VISITOR PARKING

Visitor parking areas are displayed in purple on the campus parking map. Visitor parking spaces are exclusively for visitor use. Members of campus will be cited for parking in spaces reserved for visitors. If all visitor spaces are taken, visitors may park in any valid parking space in a Yellow or Blue parking lot, or Garage.

DAILY PARKING PERMITS

Daily parking permits are available for purchase at pay stations or through pay-by-cell options. Pay stations are displayed as orange dots on the campus parking map.

Most pay stations only accept credit/debit cards. Pay stations that accept cash do not give change. Printing or displaying the daily permit is not required.

Pay-by-cell options are available in every Yellow or Blue parking lot. Follow the instructions on posted signs to pay for parking in each lot. *

Yellow	\$1.50/hr	\$8	Daily Maximum
Blue	\$10 before 2pm · \$5 after 2pm		

ELECTRIC VEHICLE CHARGING

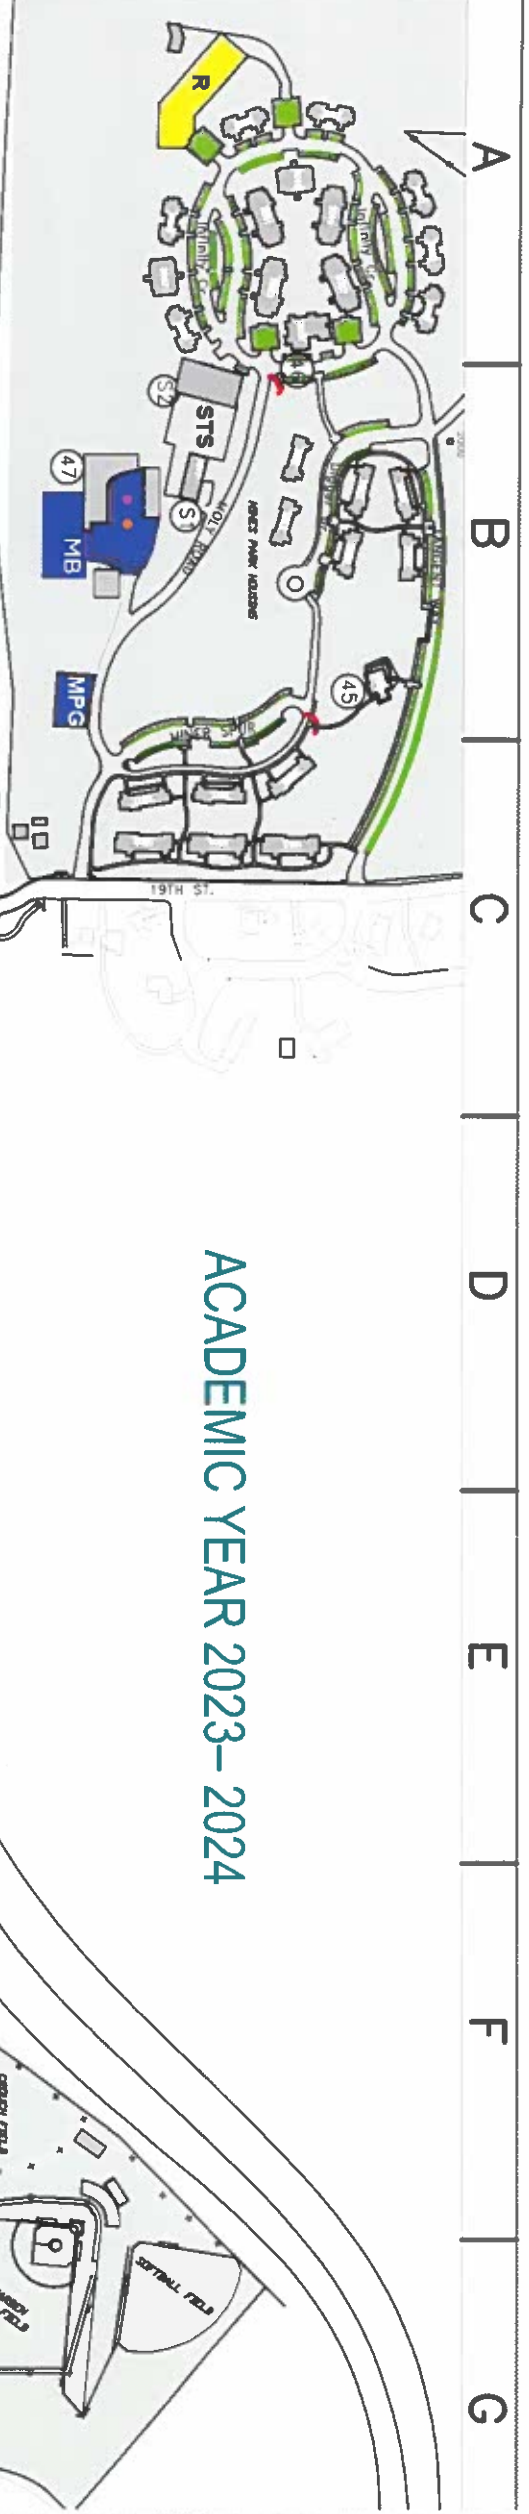

There are several Electric Vehicle (EV) charging stations on campus. Vehicles using these stations must have a valid Mines permit. There is also a fee to charge vehicles: \$1.00/hr for the first 4 hours; \$3.00/hr thereafter.

CAMPUS PERMITS

Mines students and employees may purchase a parking permit from the parking website. New employees and those with Reserved permits must purchase a permit in the Parking Services office.

*Service fees applied when using pay-by-cell
