**Opportunities**

**The SUMMET Teaching Intern Position is posted!**
DiggerNet Job ID#: 80666
SUMMET (Summer Multicultural Engineering Training) Program was established more than 20 years ago. Currently, it is organized by Mines Admissions, in collaboration with the Engineering, Design, and Society Department. The academic workshop format is project-based, and we are seeking 2 (two) students who would work closely with faculty, to improve and deliver curriculum in the SUMMET Program together! Teach@Mines scholars are encouraged to apply.

The salary is negotiable with spring (part time ~10 hours monthly) and summer (full time ~ 6 weeks total) commitments. Your work will start in February 2023, and the review of applications will start January 10, 2023. Please apply as soon as possible. To apply, please attach your resume and unofficial transcript, and fill out this additional application form.
Please reach out to kyoumans@mines.edu with any questions!

Dates for 2023 SUMMET are:
SUMMET I - June 4 - June 9
SUMMET 2 - June 11 - June 16
SUMMET 3 - June 25 - June 30

$1000 to ONE teacher candidate for 240 tutoring:
Hope you had a great break! I'm excited to let you know about a new scholarship we've learned about from 240 Tutoring! The 240 Tutoring Gives Back scholarship will award $1,000 to one teacher candidate. The scholarship runs through January 20th, 2023. Candidates can apply at https://r1gr.scholarship.app.

You will also need to provide:
● If you've taken your certification exams, they want to know how you've prepared for the exams.
● If you have not taken the exams, they want to know how you intend to prepare.
● Proof of enrollment in the field of Education.

If you have any questions, please let Robert Parker know at parker@240tutoring.com. He will send a reminder in the beginning of 2023. To learn more about 240 Tutoring, please visit https://www.240tutoring.com/about/. You can also see some of their free student resources at https://www.240tutoring.com/resources/.

Generation Teach Summer Teaching Fellowship:
Have you ever thought about teaching? Want to give it a try? If so, the GT Summer Teaching Fellowship is for you. Generation Teach provides undergraduate and high-school students with high-quality teaching experiences. The award-winning Summer Teaching Fellowship includes pre-summer preparation, a week of training, and five weeks of co-teaching middle-school students. As a teaching fellow, you receive daily coaching and a $3,600 scholarship. 97% of former teaching fellows said they grew as leaders; 98% grew as teachers; 99% developed skills they will use whether or not they become teachers. Applications are accepted through April 23rd, 2023. Fellowships fill quickly, apply today! Learn more here.

Budapest Semesters in Mathematics Education (BSME):
A study abroad program in Budapest, Hungary designed for undergraduates and recent graduates interested in the learning and teaching of secondary mathematics. BSME participants explore Hungarian pedagogy, in which a strong and explicit emphasis is placed on problem-solving, mathematical creativity, and communication.
Current programs and deadlines include:
● Summer 2023 - March 1, 2023
