T@M Weekly: October 19th

DID YOU KNOW...
The middle 50% of mid-career teacher salaries ranges between $64,000 and $100,000, nationally.

News + Upcoming Events

TEA Pumpkin Painting Party - October 20th, 5:00 p.m. - 6:00 p.m. CK140:
Join fellow students interested in K-12 Education and Teaching for a fun, social pumpkin painting party! We will be getting into the fall spirit and making friends. We will have TEA and candy for attendees. Mines welcomes individuals with disabilities. If you require accommodation in order to participate in this event, please contact Elizabeth Ruzicka by the Wednesday prior to the meeting at elizabethruzicka@mines.edu. Advance notice may be necessary to arrange for some accessibility needs.

DATE CHANGE: Teach@Mines Ice Cream Social - November 4th, 5:00 p.m. - 6:30 p.m. CK140/150:
Please join us to learn more about careers in teaching! The event will include a short presentation about the teaching profession, awesome science demos, liquid N2 ice cream, dinner, and we will also discuss ways to get involved with teaching on campus, the Minor, and other future options. Feel free to stop by for all or part of the event!

(Please RSVP to ensure we have enough food)
Opportunities

Generation Teach Summer Teaching Fellowship:
Have you ever thought about teaching? Want to give it a try? If so, the GT Summer Teaching Fellowship is for you. Generation Teach provides undergraduate and high-school students with high-quality teaching experiences. The award-winning Summer Teaching Fellowship includes pre-summer preparation, a week of training, and five weeks of co-teaching middle-school students. As a teaching fellow, you receive daily coaching and a $3,600 scholarship. 97% of former teaching fellows said they grew as leaders; 98% grew as teachers; 99% developed skills they will use whether or not they become teachers. Applications are accepted through April 23rd, 2023. Fellowships fill quickly, apply today! Learn more [here](#).

Budapest Semesters in Mathematics Education (BSME):
A study abroad program in Budapest, Hungary designed for undergraduates and recent graduates interested in the learning and teaching of secondary mathematics. BSME participants explore Hungarian pedagogy, in which a strong and explicit emphasis is placed on problem-solving, mathematical creativity, and communication.

Current programs and deadlines include:
- Spring 2023 - November 1, 2022
- Summer 2023 - March 1, 2023
