Volunteer Opportunity: Tutoring at Golden High School
In years past, a previous Mines student organized a large tutoring program at Golden High School. The school is hoping to continue this program, but needs a new Mines student to help coordinate it! This is a great resume booster, as well as an opportunity to practice teaching skills. Students interested in either piloting the program or participating as a tutor can reach out to Christine DeMeyer at cdemeyer@jeffcoschools.us.
