#### Summer Camp Position

Arrupe Jesuit is hosting a **STEM camp** this summer! They are looking for a **Camp Director and two Camp Teachers** to head up the two weeks of day camp, Monday

-Thursday. Ideally, the Director would be someone with a teaching background, Camp Teachers would be college-aged or older and all would have an interest in science, engineering and technology.

### **Here are some details:**

This is the second summer they are offering a science camp for middle school students. This is a great opportunity for this school to work with rising 5th/6th, and 7th/8th graders and for those students to do some fun science and visit interesting, science-related locations!

### **Details:**

- 8 days: June 17th-20th and June 24th-27th
- Camp hours: 9-3; Teacher hours: 8:30ish-3:30ish
- 2 classrooms of 15-20 students: rising (24-25 school year) 5th/6th & 7th/8th graders
- Director: \$30/hr + \$500 curriculum stipend (around \$2000 for the 2 weeks)
- Teachers: \$25/hr (around \$1200 for the 2 weeks)
- Four days of field trips
- [arrupejesuitcamps.com](http://arrupejesuitcamps.com)

If you are interested, please contact Mr. Mike Lovinguth at [mlovinguth@arrupemail.org](mailto:mlovinguth@arrupemail.org).

## **DECtech Summer Camps**

Sponsored by the Computer Science Department at Mines, **DECtech is a K-12 outreach program** that aims to engage interest in STEM subjects. This summer, there are **two camps**:

**Game Development Camp - June 17-20**

**Semiconductors Camp - June 24-27.**

More information on sessions can be found at <https://tech.mines.edu>.

**RESPONSIBILITIES:** Instructing / aiding in instruction of lessons Testing, learning, or creating lessons for camp sessions

**TIME COMMITMENT:** 10-20 hrs/wk for 1st and 2nd weeks in June. 30-35 hrs/wk for camp weeks 2-10 hrs/week in July (remote).

### **APPLICATION:**

If you have any questions, please reach out to Christine Liebe at [cliebe@mines.edu](mailto:cliebe@mines.edu).

## **Summer Class!**

**CAS mid-level approved elective Online: SCED333/533: Educational Psychology and Assessment CAS mid-level approved elective**

This is a **3 credit online course** held on **Tuesdays, June 24- August 15, from 4 – 5:30pm**. This course is designed to prepare students for either college or high school teaching. An explosive growth in research on how people learn has revealed many ways to improve teaching and catalyze learning at all ages. The purpose of this course is to present this new science of learning so that educators can creatively translate the science into exceptional practice. This course covers field-defining learning theories ranging from behaviorism to cognitive psychology to social psychology and some lesser-known theories exceptionally relevant to practice, such as arousal theory. Together the theories, evidence, and strategies can be combined endlessly to create original and effective learning plans and the means to know if they succeed.

## **Looking to fill just 1 credit in the Fall?**

**SCED262/562: K-12 Field Experience & Building Student Relationships** is a variable credit class ranging from 1-3 credits. It is held on Tuesday's from 5:30 – 6:20 PM.

This course is the ideal way to try out teaching. Assist in a classroom alongside an experienced mentor teacher. Requirements include a total of 25 hours (per credit) in the classroom and a 50-minute weekly seminar. This course is also repeatable. Classroom hours are work-study eligible (if applicable). **Check out [Teach@Mines course page](#) for more information about other courses offered by T@M before registration!**

## **Job Opportunities**

### **STEM Launch K-8 Secondary Science Teacher Position:**

STEM Launch K-8 is looking for a Secondary Science Teacher for the 24/25 school year. This is a 9 month position with a minimum starting salary of \$58,000 - \$61,000. ## **Other Opportunities**

### **Are you a Junior interested in a paid summer research opportunity?**

If you are a Junior and interested in doing research this summer (and getting paid), check out the 2024 STAR Program! Applications available now to Mines' students because T@M is a NSF Robert Noyce Scholarship program! A recent T@M alumni participated in this program and said that it was amazing!

### **Discover Early Childhood Learning with You be You Early Learning!**

You be You Early Learning (YbY) is a nonprofit, teacher-led cooperative and mobile preschool dedicated to providing accessible and affordable high-quality, inclusive early childhood programming for historically marginalized and underserved communities in the Denver metro area. YbY aims to lay the foundation for Kindergarten preparedness through their innovative STEAM Science program.

Engage with YbY by:

- Attending weekly Lesson Planning sessions
- Observing student learning on the Mobile Bus
- Creating STEM activities for 3-5 year olds in the YbY classroom
- Being a Guest Speaker/Presenter for students
- Joining weekly Professional Development sessions

- Facilitating Professional Development sessions
- Participating in Field Trips
- Volunteering for the Fall and/or Spring Festival or the Summer Literacy Program

If you are interested in learning more or engaging with YbY, please contact them directly at [info@youbeyouearlylearning.org](mailto:info@youbeyouearlylearning.org).
