Previous Minutes. The minutes of the meeting held on May 10, 1963 were approved.

New Faculty Appointments. President Vanderwilt reviewed the qualifications of two men who had been given new contracts:

Andrew H. Larson	\$10,000
Associate Professor of Metallurgy	

Michael G. Billings	7,800
Assistant Professor of Mathematics	

Upon motion made, seconded, and unanimously passed, the Board approved these appointments.

Changes in Faculty Contracts. Curtis E. Wright. President Vanderwilt stated that after the Board approved the salary schedules, Mr. Steinhauer asked that reconsideration be given to the salary of Curtis Wright, Budget Officer. The administration had rewritten the contract, changing it from \$8,000 to \$8,300.

It was moved, seconded, and unanimously passed that this new contract be approved.

George T. Bator. President Vanderwilt stated that after a contract had been mailed to George Bator, Dean Kuhn had asked that it be changed from three-quarters time to the same amount for two-thirds time. A new contract had been written.

It was moved, seconded, and unanimously passed that this new contract be approved.

Dr. W. Lloyd Wright. President Vanderwilt stated that Dr. Wright whose contract had been written for \$5,200 had asked that arrangements be delayed until he was certain of the services of an assistant. The delay was approved.

John C. Thomas. President Vanderwilt reported that although John C. Thomas had signed and returned a contract as Laboratory Assistant at a salary of \$6,400 for a twelve-month year, Dr. Gary, Head of the Department of Petroleum Refining, had asked that reconsideration be given this salary. Dr. Gary stated that because of new staff and possibly vacancies in the department next school year, more would be demanded of Mr. Thomas and he requested the salary be increased to \$7,000.

Upon motion, seconded, and unanimously passed, the new salary was approved.

Election of Board Officers. According to the bylaws of the Board, election of officers is held in June of the odd-numbered year. Because of the small attendance, this item was deferred.

Use of Alcoholic Beverages. President Vanderwilt reviewed a report made by Mr. Van Pelt, Director of Student Activities, regarding inconsistency in our policy on alcoholic beverages in that School functions held away from the campus are permitted alcoholic beverages but liquor of any kind is prohibited on campus and in fraternity houses. Mr. Van Pelt stated that because of this, more and more functions are being held away from the campus and that when the new college union is ready, full use may not be made of this investment because of this policy.

Dean Kuhn was of the opinion that the policy should be made less stringent rather than more rigid.

The members of the Board were of the opinion that if Mr. Van Pelt as Director of Student Activities felt the policy should be reviewed, such a review was in order.

Admissions Report. President Vanderwilt distributed the latest tabulation of applications for admission as of June 1 which showed a decrease at this time compared with the same date in 1962.

Well Sample Library. Dr. Parker reported that the committee had met several times and a recommendation would be forthcoming.

Interdisciplinary Graduate Programs. President Vanderwilt stated that although at the May meeting, the Board had instructed the administration to show combination graduate degrees under the degree-granting departments, Dean Jordan had pointed out that these degrees were actually interdisciplinary and had been thus shown. President Vanderwilt thought the entire program should be reviewed. This item was deferred until a later meeting.

Anton G. Pegis. President Vanderwilt reported for preliminary information that Dr. Pegis had applied for an academic leave for 1964-65. President Vanderwilt recommended approval. The Board gave general approval of the request, subject to final arrangements made by Dr. Pegis and final approval of the Board.

Monthly Reports. Mr. Steinhauer entered the meeting and distributed copies of the monthly reports as follows: Summary of Budget Appropriation and Disbursements, as of May 31, 1963; Balance Sheet, May 31, 1963; Mill Levy Building Fund, as of May 31, 1963; Experimental Plant, Summary of Budget Appropriation and Disbursements, as of May 31, 1963; College Union Fund, Summary of Budget Appropriation and Disbursements, as of May 27, 1963; Statement of Income & Expense, C.S.M. Hearing - Vivian Property. Mr. Steinhauer reported that the appeal on the condemnation suit of John C. Vivian was held before the Supreme Court on June 3. Mr. Joseph Montano, Assistant Attorney General, represented the School. Mr. Montano reported that apparently the Court divided itself sharply on the issue with the greater weight favoring the school position, but Mr. Montano felt we would not have a decision for approximately six months.

Sigma Nu Fraternity Plans. Mr. Steinhauer reported that the school Architectural Committee reviewed the preliminary plans of the proposed Sigma Nu house. Mr. Sudler also reviewed the plans. There was unanimous approval of the preliminary house plans. The Board reaffirmed its approval of the general plans.

Financing - Fraternity Houses. President Vanderwilt reported that at the meeting of the CSM Foundation Board on June 5, the decision was reached that the Foundation would try

to furnish through a loan fifty per cent of cost up to \$65,000 for construction of the Sigma Nu House.

This same limitation would apply to other fraternities and Dr. Vanderwilt stated that fraternities planning to build should be so informed. Mr. Steinhauer stated he would do so.

Calmett Property - 19th and Illinois. Mr. Steinhauer reported that we have entered into a purchase and sale agreement for this property as authorized some time ago by the Board. He asked that some instructions be given on the use of this property. After some discussion, Mr. Steinhauer was instructed to contact the present lessors and determine the possibilities.

Weber Property - 907 Fifteenth Street. Mr. Steinhauer reported being contacted regarding the purchase of this property at the appraised price of \$14,000. Mr. Steinhauer stated that because the School already owns one piece of property in this half-block area and does not have immediate need for the property, he recommended against purchase at this time.

It was moved, seconded, and unanimously passed that Mr. Steinhauer's recommendation be accepted.

Final Budget, 1963-64. Mr. Steinhauer presented copies of the final budget for 1963-64 in the amount of \$2,600,439.

Upon motion made, seconded, and unanimously passed, the budget was approved.

Landscaping - Science Building. Mr. Steinhauer displayed a drawing of proposed landscaping for the new science building. It was the opinion of the members of the Board that the plan as shown was over-planted and that the landscape architect should submit a plan to scale before approval could be given.

Mr. Steinhauer was asked to request a new plan.

Source of Funds - HHFA Project. Mr. Steinhauer distributed copies of the budget for the HHFA project prepared after the bid opening.

Ray H. Summer. Upon motion, seconded, and unanimously passed, the following resolution was adopted:

WHEREAS the Board of Trustees of the Colorado School of Mines and the Board of Directors of the Colorado School of Mines Foundation, Inc. desire to express condolence on the death of Mr. Ray H. Summer; and

WHEREAS Ray H. Summer did immeasurable good for the Colorado School of Mines through his work as Chairman of the Committee on Development of the Colorado School of Mines Foundation, Inc.; and

WHEREAS Mr. Summer gave unstintingly of his time and talents to further the interest of the Colorado School of Mines and because of his own ability contributed greatly to the success of the fund development program of the Colorado School of Mines Foundation, Inc., thus furthering the welfare of the Colorado School of Mines; and

WHEREAS the Board of Directors of the Colorado School of Mines foundation, Inc. and the Board of Trustees of the Colorado School of Mines wish to express their sincere appreciation for the contribution of leadership provided by Mr. Summer which will benefit coming generations of Mines students and the mineral and related industries; be it therefore

RESOLVED, that these Boards through this resolution give formal expression of their sympathy and appreciation and that such resolution be spread upon the minutes of the June, 1963, meetings; and

RESOLVED FURTHER, that a copy of this resolution be tendered to Mrs. Ray H. Summer as an expression of the personal feelings of the individual members of these two Boards.

Open Items - Board Minutes. President Vanderwilt listed for the record the incomplete items from previous Board minutes: building designations; access to west campus - Welch ditch; CSM public image - newspaper releases; mineral economics curriculum; tuition for faculty; degree designations; physical fitness of students; and the faculty-student seminar.

Retirement of John W Vanderwilt. This being the last meeting which Dr. Vanderwilt would be attending, the members of the Board expressed their appreciation to him for his dutiful and lengthy service to the School.

Dr. Vanderwilt expressed appreciation to the Board for the support he had received.

The meeting adjourned at 12:15 p.m.
