Hello student and family,

**Introducing COVID Chronicles: A new outlet for Mines students to share their experiences**

The Humanities, Arts and Social Sciences Division is excited to announce an outlet for Mines students to share their experiences during the COVID-19 pandemic. The new blog, COVID Chronicles: Living Through a Crisis, invites current Mines students and recent alumni to submit narratives, poetry, videos and photographs on their personal reflections. Submissions should be original work between 50 to 1,000 words. Narratives should be accompanied by at least one visual, which can be original (a personal photograph, for example) or a visual for which you have permission to post. When you click on “Submit Your Work” (at the bottom of the page), the guidelines suggest some places to find free visuals. Get creative, and tune in to see what others have written, drawn and photographed.

Every Oredigger cares. Every Oredigger thrives. Every Oredigger succeeds.

SAVE THE DATE: Admissions Instagram Takeover
On Thursday, July 23rd and Thursday, July 30th, the Office of Admissions will be taking over the official Colorado School of Mines Instagram account to show our future incoming students the day in the life of an Oredigger. We will be showing campus, Golden, Denver, and the surrounding area! Follow Colorado School of Mines on Instagram and keep an eye out for more information. Go Orediggers!

Upcoming Web Chats
Join the Assistant Department Head of Mechanical Engineering, Dr. Kristine Csavina, and Program Manager for Mechanical Engineering, Ben Moore, to learn more about the curriculum, research and internship opportunities and our hands-on, state-of-the-art labs and equipment.

Mechanical Engineering Web Chat
Date: Occurs most Wednesdays through August 19, 2020
Time: 2:00-3:00 p.m. (MDT)
Register for any available date on our website

Final, Official High School and/or College Transcripts
If you haven't already, please request your final, official high school and/or college transcripts and have them sent directly from your institution via the following methods:

- Electronically through SENDedu, Parchment or Naviance (preferred method)
- Postal Mail: Colorado School of Mines - Office of Admissions, 1812 Illinois Street, Golden, CO 80401.

Transcripts that are hand-delivered or not directly sent to us from the institution are considered unofficial and you will need to have them redelivered via one of the methods above.

Official Test Scores
As part of the Mines admissions application, you either self-reported or provided official SAT and/or ACT scores. If you haven't already done so, we need your official, highest composite test score, sent directly from the testing institution.

- ACT: Contact them by calling 319.337.1313 or create/log into your ACT Web Account.
- College Board (for SAT exams): Contact them by calling 866.756.7346 or log into your College Board account.

Tuition Classification Form
If you have yet to do so, please complete and submit the Tuition Classification Form, found on your Applicant Portal. This is required for all incoming students. If you are under 23 years of age, your parent/legal guardian must assist you with completing this form. Applicant Portal Link

If you have any questions about this requirement, please contact the Office of Admissions by calling 303.384.2027 or emailing admissions@mines.edu.

Mines.edu Email Account
Please start checking your @mymail.mines.edu email account. Many departments will only communicate with you via this address so we don't want you to miss any important updates. Your Trailhead account must be
activated in order to access this email address.

**Update your Email Address**
If you are currently using a high school or college email address that will be terminated, please ensure that we have your most up-to-date email address on record. To inform us of an update, please email admissions@mines.edu with your CWID () and new email address.

**Photo/Multimedia Release Form**
The Mines Photo/Multimedia Model Release Form is on your Applicant Portal checklist. If you haven't already, please complete this form prior to arriving on campus in August (it will take less than a few minutes to read, indicate your preference and sign).

**Interested in Deferring?**
If you would like to request a fall 2020 enrollment deferral to spring or fall 2021 semesters, please submit your Enrollment Decision Form first and then submit our Deferral Request Form.

**Not Planning on Attending Mines?**
If you are no longer planning on attending Mines, please let us know as soon as possible by emailing admissions@mines.edu or calling us at 303.384.2027. Please provide your name and CWID ()

**Need to chat one-on-one?**
Set up a one-on-one chat with a Mines Admissions Staff member. These thirty minute sessions will answer your most pressing questions (or point you in the direction of someone who can help) as you transition to the Oredigger community. Contact admissions@mines.edu to schedule an appointment.

**Online Resources**

- **Accepted Student Webpage:** We are loading a bunch of videos and resources onto our accepted student webpage. Here you can find our residence hall tour video, a video about Golden and the surrounding area, newsletters, etc. Please visit this page regularly.
- **Accepted Student & Family Facebook Groups:** If you haven't already joined, there are active conversations happening on our student and family Facebook groups. Search for the groups: "Family of Accepted Students - Fall 2020" and "Colorado School of Mines Accepted Students - Fall 2020" and request access. Join the conversation!
- **COVID-19 Webpage:** You can stay up-to-date on Colorado School of Mines' COVID-19 announcements on this website.

---

**Office of the Registrar**

The Registrar's Office staff is excited to help you with your next steps toward your Mines experience.

Here is a short timeline of what to expect for registration:
We are beginning to build fall schedules for all new incoming students so you might begin to see courses showing up in your Trailhead account over the next month. However, these tentative schedules could change once all AP, IB and transfer credits have been received and updated. Please wait until schedules are final in August to contact our office about any questions or missing credit.

- **First week in July:** IB scores are received and loaded into the student information system.
- **Second week in July:** All IB and college transfer credits are finalized and made equivalent to Mines courses.
- **Third and fourth week in July:** AP Scores are received and loaded into the student information system. Schedules will be adjusted based on the credits that have been loaded. If you wish to decline AP credits, make sure to submit the Decline Form so we can update your schedule accordingly.
• **Early August:** All incoming student schedules will be finalized and released to students to make any necessary adjustments. Please consult with your CASA advisor before making those adjustments.

Once your schedule is final, please do not drop or add courses this first term without consulting with your CASA advisor, since there may not be seats open in the courses that you prefer. If you feel there has been a genuine mistake in your schedule (such as transfer work not showing on your record or your major is listed incorrectly) please contact registrar@mines.edu so that we can assist you.

---

**Residence Life Department**

Residence Life is anxiously awaiting your arrival if you are living with us this fall! You should be receiving your housing assignment, move-in date, and time, as well as instructions to agree to your new housing contract very soon if you have not received it already.

### Housing Assignments

- Your housing assignment has been made! More information including your assignment details for the hall, floor, room and roommate/suitemate will be sent to you very soon if you have not received it already.

### Move-in Date & Time

- Your move-in date is included in the email containing your housing assignment.
- Please pay close attention to the date and time of your arrival to campus as the time frame is a window. You may arrive any time within that time frame.
- It takes about a 1/2 hour to move into your residence hall room.
- We ask that you adhere strictly to that move-in date and time, as many other students and their helpers will need to move-in as well.
- It will take us all doing our part to help this run smoothly and to keep everyone safe and healthy while we get you into your new home.

### New Housing Contract

- Instructions to access the new housing contract through the housing portal have been sent to you.
- This housing contract includes measures that have been put in place because of COVID-19.
- Please read through the contract carefully. It is located in the Housing Portal through Trailhead.
- You must acknowledge that you have read it by checking the box and your electronic signature must also be included.
- **Please complete the contract acknowledgment no later than August 1, 2020.**
- Any contracts that are not signed or acknowledged will not be eligible for a move into the residence halls.

### Finalized Addresses for Students Residing Off-Campus

- If you are residing off-campus and previously completed the Off-Campus Residency Form, but did not provide a finalized off-campus address at the time of submission, then you must provide your finalized off-campus housing address by August 1, 2020.
- **Please submit your finalized off-campus address here.**

---

**Alumni Office and Foundation**

Before you pack your bags and head to Golden to start the semester, join us for an Oredigger Welcome Party!
Welcome Parties are organized by our alumni M Club leaders in cities around the country and are open to incoming students and their families; current students who are home for the summer; new graduates who’ve recently relocated to a new city; and of course, local alumni. It’s a great opportunity to meet other incoming students from your area and start building your local Oredigger network. Visit our website to see a list of Welcome Parties that have been scheduled so far. Be sure to check back often as parties are being scheduled/added each week. Due to COVID-19, some of this year’s parties will be hosted virtually. Whether in person or on your computer screen, we look forward to seeing you and welcoming you to the Oredigger family. Cheers to Mines!

New Student and Transition Services (NeST)

Virtual Launch
We only have one more live Virtual Launch orientation session left! The last Virtual Launch for new
undergraduate first year students will be held on **Monday, July 13th**. **Register by July 6, 2020!** Not able to make any of the Launch sessions? No worries! We'll be posting a recording of a Launch webinar and associated slides on our website after our final Launch.

**Transfer Virtual Launch**
We've already had a few transfer students sign up for the upcoming Transfer Virtual Launch program. If you are a new transfer student that has yet to register for a session, and are interested in getting some answers to your more nitty-gritty questions as you transition to Mines, please know that the Launch event scheduled for **Friday, July 10th** is designated for you! **Sign up here ASAP, as registration will close on Sunday, July 5th.** Not able to make the Virtual Transfer Launch session? No worries! We'll be posting a recording of the Launch webinar on our website after July 13th.

**Enrollment into Online Orientation Course**
In addition to participating in the Virtual Launch sessions, all new undergraduate first year and transfer students have been automatically enrolled into our online Launch orientation course in our learning management platform, Canvas. Use your Mines credentials to log-in, and you will be able to learn about academic programs and majors, campus resources, and support offices, meet your Launch Leaders, and more! Your families and guests will also be sent a link to participate in the online orientation course if you registered for a Launch session, and they will not need credentials to view the materials. Please reach out to nest@mines.edu with any questions you might have!

**Virtual Oredigger Camp**
While we are heartbroken not to be able to enjoy Rocky Mountain air in person with you this summer, we are thrilled to be able to offer three Virtual Oredigger Camps in order to connect you with your peers, and get you excited to be on campus. Campers can expect to play games (and compete for prizes), complete engineering challenges, meet faculty and staff, and learn more about themselves- all from wherever you are in the world. Everyone who was registered for an in-person camp was automatically moved to a virtual camp registration, unless they opted out. While our third camp is full, we do still have spots available for camp 1 (August 3-5) and camp 2 (August 5-7). Registration closes on July 17th. For more information, and to register, visit the Oredigger Camp website.

**Fall Kickoff**
Get ready for all of the fun and excitement you will have the weekend before classes start! Fall Kickoff is your student-only on-campus orientation weekend. While an official schedule will be posted in late July, you can plan on events running from the evening of Thursday, August 20th through Sunday, August 23rd. Please make sure to bring your 10 pound rock from home for the M Climb!

The new student and family welcome BBQ is cancelled due to COVID-19 restrictions with large events. We are also restricting Convocation to only students. Families are invited to watch the live stream of the event on the Mines YouTube Channel. Convocation will be August 20th at 4:00 p.m.

**Transfer Fall Kickoff Information**
All incoming transfer students are invited to participate in all the Fall Kickoff activities! This year, Fall Kickoff will be from August 20-23, so save those dates in your calendar! At this time, we are still determining the details, but more information will be coming your way soon! Stay tuned!

---

**Office of Financial Aid**

**Newsletter Sign Up**
Parents and family members are strongly encouraged to subscribe to our quarterly newsletter to stay up-to-date on important deadlines and information about financial aid. [Click here to sign up for the Financial Aid newsletter.](#)

**Outside Scholarships**
If you are awarded scholarships from a source outside of Mines, you must report the scholarship to the Financial Aid Office using this online outside scholarship notification form. Scholarship checks should be made payable to Colorado School of Mines and mailed to the Financial Aid Office (1301 19th St., Golden, CO 80401). Please
include your CWID (your CWID is) on the check for timely processing.

Scholarship funds are credited to your account once the check is received. Scholarship funds will be credited half to the fall and half to the spring semesters, unless otherwise designated by the donor. Checks made payable to both the student and the school require the student to sign the back of the check.

You can check your scholarship status on Trailhead under Awards (the green section), Additional Resources tab.

Scholarships that have been paid will have “Paid” to the right of the title of the scholarship. To see the official payment go to “Award Overview” which is the tab located to the left of “Resources/Additional Information.”

In August we will have a drop box outside of the Financial Aid office if you need to drop off a scholarship check. Checks must have your CWID () on them!

**Student and Parent Loan Information**

- Information about the loan completion process was emailed to students a couple weeks ago. To receive a federal loan, you (the student) must accept the award on Trailhead and complete both the online Entrance Counseling and Master Promissory Note (MPN). You can find student loan information here.

- Parents/Guardians who would like to borrow a parent PLUS loan need to complete the online PLUS request process at studentloans.gov and complete an online Master Promissory Note (MPN). Parents/Guardians must specify either an amount for the loan or choose “maximum loan amount” for the request to be processed by Mines; we will not choose an amount for you. The loan period for fall/spring is August 2020 through May 2021. The maximum amount of the loan is the student’s total cost of attendance minus all other aid. Students can see the maximum amount of the PLUS loan on Trailhead. Once a parent PLUS loan has been approved and certified by Mines, students will see the accepted loan on their award overview in Trailhead. You can find parent loan information here.

All available fall semester aid will disburse to your Trailhead account three days prior to the start of fall classes.

**Center for Academic Services & Advising (CASA)**

We in CASA are excited about classes beginning next month! As you prepare for the start of the fall semester, we’re here to answer your questions about academics at Mines. We are expanding our traditional Webinar Wednesdays with an on-demand webinar you can view at your convenience combined with chat to answer your specific questions. Our advisors will be available on our chat and Zoom on Wednesday July 15th, 22nd and 29th from 10:00 a.m.-2:00 p.m. MDT. Visit our New Student Registration page for full details and information. As a reminder, fall semester schedules will be built by the Registrar’s Office and will be available on your Trailhead account on August 1, 2020.

**Society of Women Engineers (SWE)**

Greetings from the Society of Women Engineers (SWE) at Mines!

SWE extends an exciting welcome to you! In just over a month, we’ll greet you, the newest class of Orediggers, to campus. Many of you may already be thinking about ways to find a community of friends once you arrive, and we think active involvement in SWE is one of the best opportunities. We are honored to continue our reign as the largest SWE section in the country and the largest professional student organization on campus with over 700 members. Below, you will find a few early fall kick-off activities. If you’d like a snapshot of SWE’s outreach, professional development, leadership and social opportunities, check out our annual SWE newsletter.

Learn more about our upcoming events and membership.
**BlasterCard**

Your BlasterCard is the official identification card for the Colorado School of Mines community and is your key to accessing services, buildings, and events on campus. The BlasterCard identifies you as a member of the Mines community and says you are part of the family.

The BlasterCard Program is part of Student Life Services and located in the Ben Parker Student Center (room E140). It is our job to issue you your first BlasterCard along with any replacements that you might need while here at Mines. We are also responsible for assisting you with problems that you might have with your BlasterCard use. You can find more information about the BlasterCard on our website.

The COVID-19 crisis has caused us all to review how we go about our daily tasks and the BlasterCard Program is no exception. In an effort to ensure safety, it is now **REQUIRED** that all new students and staff members provide an electronic photo for BlasterCard production. Visit the BlasterCard website for the download process. Once you have completed this process you will receive an e-mail stating that we have your photo. After it is approved, you will receive another e-mail telling you when and how you will receive your BlasterCard.

We know this is a strange time for everyone and we will do our very best to assist you in any way we can as you prepare to begin your adventure at Mines. If you have any BlasterCard questions, please don't hesitate to contact the Director of Campus Card Services at Rmask@mines.edu

---

**Mines Dining**

As we near fall semester, the entire Mines Dining team looks forward to serving you on campus! The health and safety of our campus community is our utmost priority. Mines Dining will be following all government guidelines for our day to day operations to ensure a safe experience for our guests. Please note that services are subject to change as government guidelines evolve.

Get connected with us for dining news, special events, dining discounts and more!
Facebook: Mines Dining by Sodexo | Instagram: CSM Dining | Twitter: @MinesDining | Dining Website

---

**Counseling Center**

As you prepare to start at Mines, we imagine that this transition to college is both exciting and unknown. We want you to know that you are not alone. College can be a great time in life full of learning and challenge. College can also be stressful. We're here for you.

At the Counseling Center, we use a Stepped Care Model which is a multi-tiered system of services and programs that seeks to meet students where they are in the change process while promoting autonomy and empowerment. We’ll share more with you about this once school starts, so for now, please know that we want to be part of your support system at Mines and that we believe there is a step of support for everyone. Get to know more about us, meet our staff, and hear about some of our own favorite ways to practice self-care through this short video! You can also learn more about us and our services @COUNSELING.MINES.EDU and
We are very excited that you will be part of our family of students. As you prepare to join our campus, we want to provide resources and services available to you at the Mines Career Center.

**On-Campus Jobs & Internships**
Watch your Mines email in mid-August for your personalized access to DiggerNet, the Mines career system that will help you locate and apply for on-campus jobs, general employment in the area, internships, workshop schedule and other great resources to connect you with your career goals. Download the free DiggerNet App for easier access. As soon as you receive the email, you will be able to access DiggerNet through Trailhead to jump start your job search. Please contact us at 303.273.3233 with any questions.

**Looking for an On-Campus Job?**
Attend the Mines Fall 2020 Student Assistant Job and Resource Fair on Tuesday, August 25, 2020, from 11:00 a.m.-3:00 p.m. on DiggerNet. Over 20 Mines departments will participate and jobs include: front desk, labs, TAs/graders, events/activities, sports managers, callers, web development and more. Once you are notified that your profile has been uploaded into DiggerNet, you can start to search and apply in DiggerNet for on-campus and work-study positions.

**Mines Career Day – Virtual this Year**
Mines Signature Career Day will be virtual this year, over several days allowing students to interact one-on-one in a dynamic video chat environment. Students can meet and interact with over 300 companies. All students are encouraged to participate -- companies will be looking for interns and can provide information about full-time/career employment.

Learn more about Career Day. Updates about Career Day, events available to prepare you and internships/job information will be available in DiggerNet.

The **Career Advising Team** is looking forward to assisting you and offering our services this fall! These services include:
One on one counseling for:

- Resume and cover letter review
- Job search strategies
- Career exploration
- Interview preparation
- Salary Negotiation
And much more!

Workshops and Programs such as:

- Rapid resume reviews
- Career Day preparation programming
- WIRED-networking event with employers (Resume reviews and advice from Career Day representatives)
- And much more!

For a full list of services, visit mines.careers.edu. To schedule an appointment or learn more about upcoming programs, visit DiggerNet.

Please note: The Mines Career Center has moved all operations online and all services are currently virtual. Please visit mines.careers.edu, DiggerNet, or follow Mines Career Center social media accounts for updates in our services. Please feel free to contact our team with your questions.

Department of Military Science (Army R.O.T.C.)

For those of you unfamiliar with Army ROTC, the program is a combination of classroom instruction, military training, and physical training. At the end of the program, you will commission as a Second Lieutenant in the United States Army (Active Duty, Army Reserve or Army National Guard).

Scholarship opportunities may be available for highly qualified Cadets. Army ROTC scholarships cover full tuition and mandatory fees, a book allowance and a monthly stipend.

Army ROTC is a series of elective courses offered at Mines. During classes and field training, you will learn first-hand what it takes to lead effective organizations, motivate others and problem solving techniques necessary to becoming a successful Army Officer. You can attend the first two years of classes to further yourself professionally without any service obligation. If you choose to continue beyond the first two years of ROTC, upon graduation from Mines, and Army ROTC, not only will you be eligible to receive a Minor in Military Science, you will be fully prepared to take charge as a Commissioned leader.

Newly Commissioned Lieutenants will enter the workforce and supervise as many as 45 soldiers, while being accountable for millions of dollars in assets. Upon completion of military service, civilian employers will highly seek your leadership experience and technical knowledge.

We are looking for high quality students who are seeking opportunities to develop themselves professionally. If you are seeking a Challenge - academically, physically, with leadership potential, and want to have fun, then Army ROTC may be your tool to developing a pathway to achieving success. Our team of Cadre and continuing Cadets are ready to help you be successful, work with you to develop your confidence and management skills, have the best college experience possible and make you marketable following college.

We invite you to explore the opportunities that Army ROTC has to offer.

If you have questions, or would like to discuss your options further, feel free to email us at rotc@mines.edu

Air Force ROTC classes are also available through Mines. Email det105@colorado.edu, or rotc@mines.edu for more information.
We look forward to welcoming you here in August. The following required information was due June 30, 2020. If you have not already done so, please enter and upload all of the required information as soon as possible to avoid receiving a hold on your account in early August. Please enter all information into the Mines Health Portal (it's a bubble on your Trailhead main page). We may have sent you questions via secure message, so please be sure to check your Mines "mymail" email account. If you have yet to do so, please send the following required information in English, via the Mines Health Portal (it's a bubble on your Trailhead main page).

Access complete details regarding the immunization requirements and a "how-to" guide for submitting them. If you are currently under age 18, please have your parent/guardian complete the forms for you.

Required for ALL students

- MMR: Measles, Mumps and Rubella Vaccines: Colorado law requires every student to submit proof of two (2) valid vaccinations for measles, mumps, and rubella (MMR) given no earlier than four days before the student's first birthday. There must be at least 28 calendar days between the two vaccinations.
- TB Screening Questions: Completion of the Tuberculosis questionnaire (Forms tab of the Health Portal) is required. In some cases, TB testing may also be indicated.
- Proof of all immunizations must be UPLOADED to the Health Portal so they may be verified.

Additional requirement if you are living on campus

- Colorado law requires all students living on campus in student housing to submit proof of a Meningitis ACWY vaccine given within the last five years, OR to sign and upload the Meningococcal waiver form. If the five-year period will expire while the student is living on campus, we recommend receiving another Meningococcal ACWY. Students will have a hold placed on their account five years after the date of the most recent Meningitis ACWY vaccine. Currently, Meningitis ACWY is required, not Meningitis B.

If you are under age 18 as of the first day of class

- Consent to Treat Minor ("Forms" tab found on the Health Portal). Please upload after completion.

Questions? Feel free to email us at shc@mines.edu or call us at 303.273.3381 - we are happy to help. If we have questions for you, we will email your @mymail.mines.edu account. We are working remotely and will reply to you as soon as possible. Stay well and we will see you soon!
Student Activities, Involvement & Leadership (SAIL)

At Mines, we currently have over 220 active organizations. You can browse current organizations by going to https://mines.campuslabs.com/engage/. If you find an organization that interests you, you can send a message to the club leadership or request admission by clicking the “Contact” or “Join” buttons on the right side of the club’s page.

You should also be on the lookout for information from the SAIL office regarding Celebration of Mines; that is a great opportunity to learn more about many of our campus clubs and to chat with some of the members of these organizations, before you decide if they are right for you and if you’d like to join them. If you are interested in a different or new organization, please come by SAIL or email bruiz@mines.edu to help guide you through the process. You can find information about it at https://orgs.mines.edu/, if you want to explore it before contacting us.

Family & Friends Weekend
In order to keep our students, families, and Mines community safe, we are canceling Family & Friends Weekend for the Fall 2020 semester. We are disappointed we won’t be able to host a fun filled weekend as we have in years past; however, we are actively working on other opportunities to engage with and support your student. Stay tuned for more information.

Fraternity & Sorority Life

Fall recruitment is one of our biggest times of the year! All our sororities and fraternities come together to welcome students who are interested in joining a group that share in similar values and interests.

You can learn about our fraternities in our great brochure. Some of our fraternities are also giving out scholarships! You do not have to go through recruitment or join a fraternity to apply. Review the opportunities. Interested in joining a fraternity? Please contact Doyle Smith at doylesmith@mymail.mines.edu
Sorority Recruitment registration is now open and completely free to sign up! Sign up for Panhellenic Recruitment
If you have any questions, please contact Viviana Verde at minessororityrecruitment@gmail.com

Follow our Instagram accounts! @csmsorority and @mines.ifc

Music and Performing Arts

Mines Music Program Signup Time Is Now!

If you have any questions contact our professors directly:

Dr. Robert Klimek – Director of Bands and Vocal Programs (rklimek@mines.edu)
Professor Jonathan Cullison – Jazz and Music Technology Programs (jculliso@mines.edu)
Dr. Maggie Greenwood – Symphonic Orchestra, Beginning Strings and Piano Lab (mgreenwo@mines.edu)
Professor Masa Ito – Guitar Instruction and Guitar Ensembles (mito@mines.edu)
Professor Joseph Bearss – Theatre and Theatre Technology (joseph@imprintgroup.com)

Disability Support Services (DSS)

Disability Support Services (DSS) is committed to providing equal access to university courses, programs and activities for students with a disability. If you are a student who receives accommodations in high school and/or has a need for disability accommodations at Mines, register with DSS by completing an online application.

- In preparation for registering with DSS, please consider collecting and/or requesting updated disability documentation from your provider including diagnostic evaluation records, current school disability records (IEP/504, if applicable) and any medical documentation to support your request for reasonable accommodations.
- While students can register with DSS at any time, early submission facilitates the possibility for accommodations at the start of the semester. Since housing accommodations are subject to availability, students in need of accommodations in the residence hall are encouraged to register with DSS as soon as possible.

Please visit the DSS website for additional information and contact information. Assistance is available through email, phone, a virtual meeting or chat with us online on the DSS website.
Mines is committed to providing a fully accessible experience to all students and their families. If you’re planning to attend a forthcoming campus event and may benefit from any disability accommodation, please proactively communicate with the Office of Admissions at admissions@mines.edu. If you would like more information about Disability Support Services at Mines or the process for requesting accommodations, please visit: disabilities.mines.edu.

While Mines ABET accredited engineering degrees are not designed to lead to licensure, these degrees will meet the educational component for obtaining a Professional Engineering (PE) license in Colorado. Mines has not determined whether its degree meets specific educational requirements for professional licensure in other states. If you plan to seek professional licensure in a state other than Colorado, it is strongly recommended that you contact the appropriate licensing authority in that State for additional information.
