

UNDERGROUND LUNCH & LEARN

UCA Student Chapter Competition

Gather around with the UCA Executive Committee to witness the first-ever UCA Student Chapter Competition at Mines.

Graduate and undergraduate students will be presenting aspects of their cutting-edge research work on topics related to underground construction and tunneling, mining, geological and civil engineering.

Be the audience to the competition
And help UCA in engaging the student community on campus

APRIL 17, 12-1 P.M.

BERTHOUD HALL 241

Lunch will be served!!!!
