

# underground

## LUNCH & LEARN

### 2019 FALL KICK-OFF AND INFO SESSION

**AUGUST 21st, 12-1PM**  
**Berthoud Hall Room 241**

**Meet the Underground @ Mines**  
multidisciplinary faculty and learn about  
degree programs and research opportunities.  
*Free lunch will be provided for all attendees.*

**Mines is #1 in the world in  
Underground research and education.**

Join the Underground Community at Mines  
each Wednesday this semester and learn  
about this growing field, the amazing job  
opportunities in tunnel engineering and  
construction, trips to tunnel projects, the  
undergraduate minor and Area of Special  
Interest programs, and the amazing student  
research and creative project opportunities at Mines.

#### **You will learn:**

- How to build your knowledge in underground.
- How to explore a career in the underground industry.
- How to get involved in underground activities in Mines.
- How to land an internship in the underground industry.

**AUG 21st, 12-1 PM – BERTHOUD HALL 241**  
**LUNCH WILL BE PROVIDED**
